# THE DRA GON

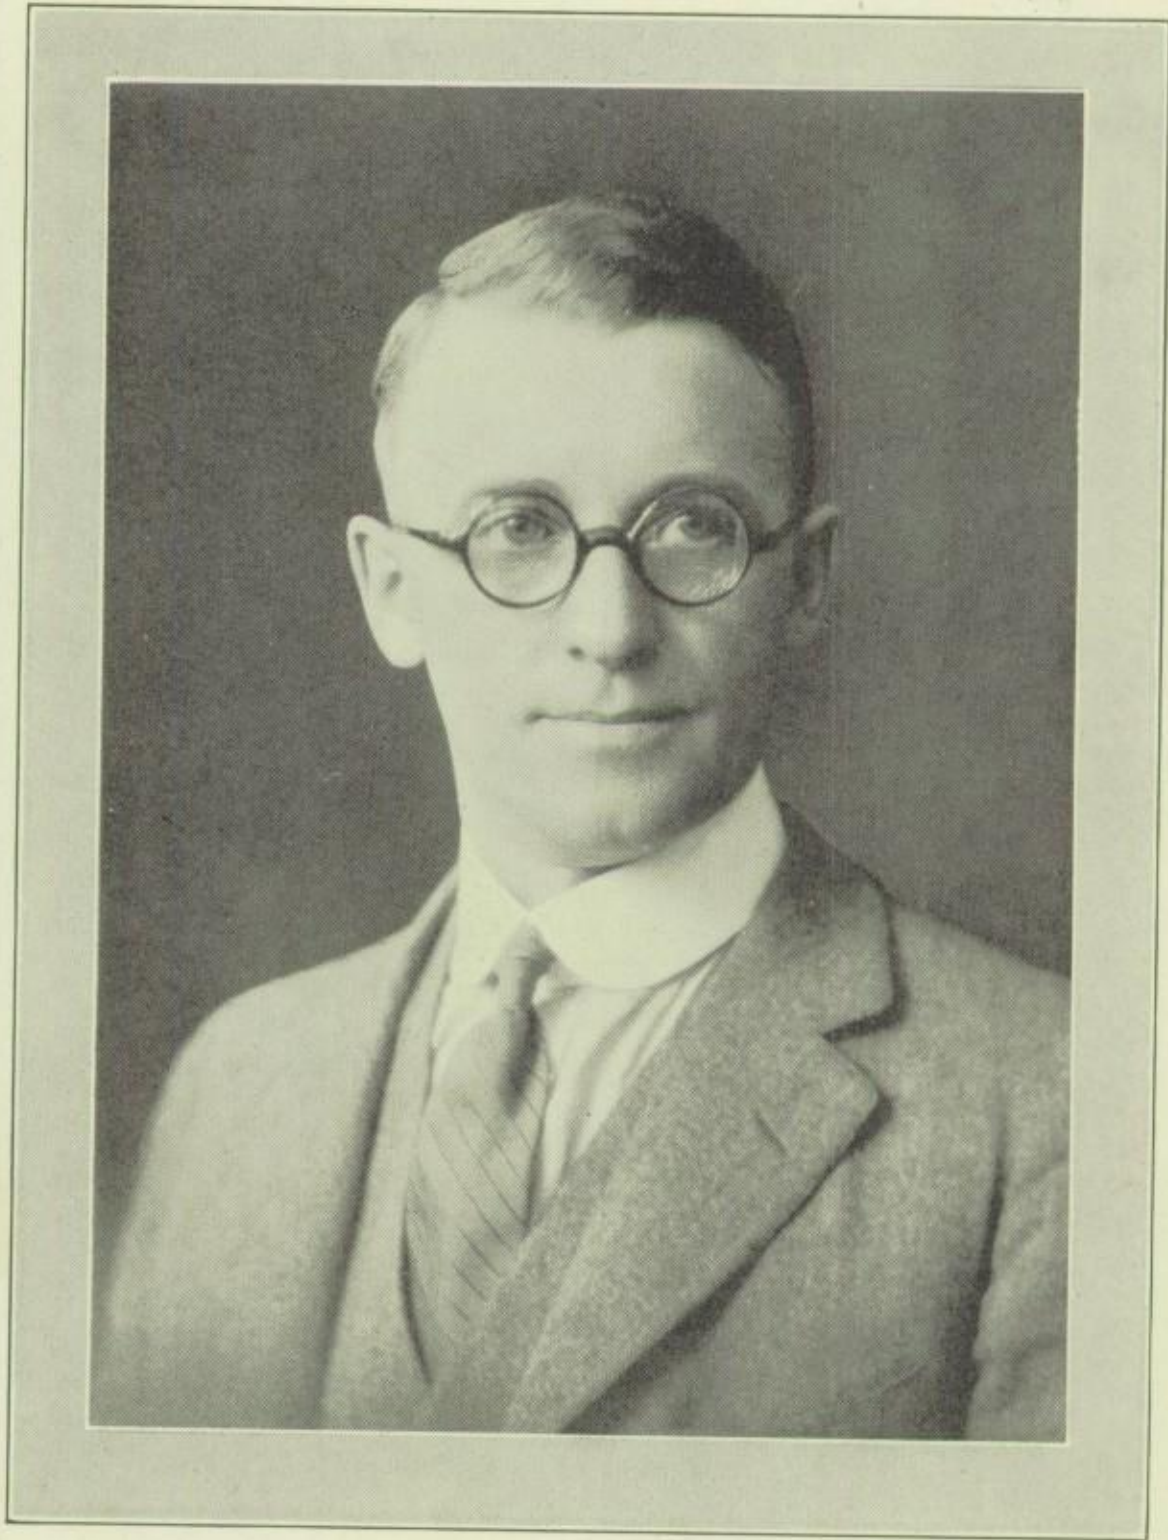

*We, the Class of 1926, take this opportunity of expressing our sincere appreciation to Professor Merle H. Deardorff for the high standard he maintained for the school during his four year sojourn with us. Although he will be keenly missed, we wish him every possible success in his new field.*

*To Mr. Ernest G. Beckwith  
Head of the Science Department  
who has been friend as well as  
instructor to us, we the Class of  
1926, affectionately dedicate this  
issue of the Dragon.*

## W. H. S. ALMA MATER

---

High in air thy spires are tow'ring  
Gleaming in the light,  
While, their solemn shade embow'ring,  
Waves the Blue and White --  
Furling in its tranquil beauty  
O'er a body true --  
Sons and daughters bound by duty  
Give their love to you.

Thy bright emblem shining o'er us  
Shows thy glorious might.  
Through the years thou safely bore us  
Spotless Blue and White.  
Sons and daughters bring thee praises,  
Bring thee praise and fame,  
And thy standard high upraises --  
Herald of thy name.

May thy honor all-undying  
Keep thee ever free,  
Through the years behind us flying  
Oft proclaiming thee.  
Kindly Mother -- Queen of pleasure --  
High above the rest --  
May the passing years, the measure  
Prove thee still the best.

Ernest Nathan, '21.

### *Foreword*

Forewords are dull things. Nobody ever reads them; nobody wants to write them. But tradition has it that no Dragon is complete without a foreword.

We have tried to make this Dragon complete. We have tried to include all activities, social and otherwise, in which the school has taken part. We hope you will enjoy this result of our labor and show your appreciation by patronizing the firms who, through their generous response in advertising, have made this book a possibility.

## CLASS POEM

*"Goodbye"*

When everything's in preparation  
For the big event, our graduation,  
Then it is we're kind o' shy  
'Bout leaving our school, Warren High!

No one can know 'til it comes his way  
What it means to us, this hoped-for day!  
A day of gladness, and yet, each one  
Realizes his life has just begun.

While mothered under the White and Blue,  
Alma Mater, we pledged allegiance to you.  
We keep that pledge and here do avow  
Forever we'll hold it as sacred as now.

But enough lamentations!  
We bid all "Goodbye,"  
And last but not least to  
Old Warren High!

Mary Berger, '26.

# CLASS HISTORY

## PREFACE

This volume represents the newer tendencies in historical writing. Its aim is to relate the deeds of the Class of '26. This aim can never be fully realized. Every day the Class is accomplishing something, entering a new field and making good. Therefore I am able only to record our past accomplishments. I wish that I had the power to look into the future and see our Class as it will be ten, twenty, thirty years from now. Alas, only time can tell! It remains for some future historian to chronicle those achievements. A special feature of this history is that it makes no attempt to trace our class back into antiquity; it records only those deeds which have made Warren High School famous.

## CHAPTER ONE

In the fall of 1922 (year 3 A. P.) the Class of '26 entered Warren High School. It was far from a class of twenty-six; in fact it was a class of over three hundred little freshies. There is no authentic record of our first meeting, but after the dust settled everyone was agreed that Robert Ayers was President; Ellisen Wallace, Vice President; Mary Berger, Secretary; and Adolph Weaver, Treasurer.

In accordance with tradition we gave a party, and what a party. In reporting this event, the Warren Evening Times said: "The old gym never housed a better looking lot of girls than were to be found at the Freshman party, and the boys—well, the boys were the best bunch of dancingest, oil-haired dapper dressed dandies that ever graced a ball room floor." The party wound up with refreshments, and here again the capacity of the class to assimilate whatever faced them was demonstrated.

## CHAPTER TWO

The following year in accordance with a quaint custom in Warren High School we became Sophomores. This great honor brought many added responsibilities, and in order to fulfill these obligations we elected Herbert Murphy, President; Tom Moran, Vice President; Jean Bordwell, Secretary; and Wilson McWethy, Treasurer.

After great deliberation we re-established the practice of having the Sophomores entertain the Freshmen. (N. B. The Class of '25 had abolished this the preceding year). As a reward for this great service, the class of '26 asks only for its remembrance.

During this year we were not only prominent in school circles, but also in athletic circles. Two of our class won their letters in Football, and later in the season two won them in Baseball.

## CHAPTER THREE

In the fall of 1924 most of us became Juniors. It did not take us long to elect Fred Gebhardt, President; Mary Bordwell, Vice President; Marshall Kaltenbach, Secretary; and Tom Moran, Treasurer. Nor did we ever regret it. The honors which we won as Juniors were the result of their careful guidance.

Athletics claimed most of our attention during this year, and we got out of them as much as we put in. Four members of our class won their letters in Football; four won them in Basketball; five won them in Baseball, and one received his letter in Track. We have good reason to be proud of our record.

## CHAPTER FOUR

The years 1925 and 1926 mark the final culmination of our three years of preparation. Early in September of 1925 we elected our last officers: Philip Kehr, President; Elisabeth Eaton, Vice President; Ruth Siggins, Secretary; and Fred Gebhardt, Treasurer.

Our showing in athletics the preceding year had indicated that we would win many honors again. However, we passed the most extravagant predictions that had been made. Ten members of our class won their letter in Football. Three of these ten also received their letters in Basketball. The Baseball and Track seasons were entirely successful.

During our last year we were also leaders in clubs. There is scarcely a club in W. H. S. whose officers have not been taken from our ranks. These officers have helped make the clubs successful.

One of these clubs opened up a field that had been entirely neglected in Warren High, and that is -- dramatics. Our record in this club further proves the adaptability of our class, because we were soon the leaders in all plays. One of our classmates, Laurie Billstone, has taken part in more plays and played more roles than anyone else in the whole history of our school.

As we are leaving W. H. S. we echo the words of Whittier:

“Long live our good school! giving out year by year  
Recruits to true manhood and womanhood dear;  
Brave boys, modest maidens, in beauty send forth,  
The living epistles and proof of its worth!  
And its sons and its daughters in prairie and town  
Remember its honor and guard its renown.”

Robert Gray, '26.

## FUTURISTIC CLASS CALENDAR

1936 A. D.

The entire class is either well established in business or matrimony. The outstanding figure of this year is Miss Cressed Card, who has gained great prominence as a prosecuting attorney in New York City. Ably assisting her is her secretary, Miss Alice Beckett.

1938

Many of the old class have gained fame in the past two years. Russell Forsgren has completed a masterpiece which he has named "Lillie's Last and Latest Leap". The model for this picture was "Chuck" Eggleston. Fred Gebhardt has edited his book "The Blush of Youth". Nothing like it has ever been written or ever will be. Carleton Erickson, with his saxophone, is playing at present with Paul Whiteman's Orchestra.

1940

This year the great divorce proceedings of John Schumacher versus Mrs. Laura Stuart Schumacher eclipsed all other events.

1942

A great blaze was recently extinguished in the Warren High School through the heroic efforts of Fire-Chief Burton Gaffner. He rescued the following teachers from the building: Miss Helen Baird (History), Miss Leah Henderson (Latin), Miss Dorothy Blythe Newell (Music), and Miss Hazel Sederburg (English).

1944

Miss Eva Lauffer has become Editor of the "Saturday Evening Post". Mr. Robert Gray is at present the Secretary of State, after having recently finished his term as Senator. Dr. Kehr, who will be remembered as the Class President, and Dr. Bogart, his partner, have discovered a cure for warts and heart affections. Miss Elizabeth Phillips has become a Marathon runner, because of her recent encounters with an inmate of the North Warren Asylum.

1946

Mr. William Hay is receiving a large income from his Correspondence School of Dancing. Miss Ruth Siggins has just signed a movie contract for the picture, "Eternal Popularity".

1948

Miss Mary Savage has accepted the position as head nurse at the North Warren Institution. Miss Edna Arnold and Miss Mary Berger have successfully established an institution at Starbrick for Vocal and Piano instructions. Miss Elizabeth Mitchell and Miss Jane McConnell are now with Barnum's Side Shows.

1950

Professor Alton Klinestiver, A. B., X. Y., C. D., etc., has written a new translation of Virgil's "Aeneid". Gerould Ostergard is now in vaudeville demonstrating basketball technique. Robert Jury, known as the strong man, has composed several pieces, one of which is "The 'Y' is Calling Me".

1952

Mr. Richard Swanson, prominent architect, exhibited the plans for the church to be constructed through the efforts of Reverend Laurie Billstone. Miss Elisabeth Eaton is leading the Methodist Choir at Rogertown. We are glad to hear of her success.

1954

Chester Lawson is in the tailor business with his father-in-law, J. A. Johnson. Earl Linquist, Jr., was the outstanding star in the Jamestown-Warren Football game. (Note: Warren 60—Jamestown 0). A few of the players were: T. J. Schumacher, Leon Kehr, A. A. Gebhardt, "Tiny" Bogart, D. H. Eggleston, and Dan Dorsey, Jr. These are the sons of the graduates of the class of 1926.

1960

Mr. Dan Dorsey, who has retired from active service on the Warren-Sheffield car line, gave a series of lectures on "Modern Dancing" at the new Alco Hall.

1966

A group of elderly ladies, Miss Flora Mumford, Miss Ellisen Wallace, and Miss Mary Crossett, have purchased the store, recently owned by the Misses Lesser, through their Attorneys, Offerle and DeFrees.

1968

Miss Maybelle Watt and Miss Violet Covert are on a tour through the U. S. with the "Oldest Women's Basketball Team". Their success has been unlimited. "Barney" Senger is their manager and referee.

1970

The Bosine and McDonnell Company have sold out their interest in the Chain of Ten Cent Stores to Robert Walsh and Plue Wendelboe. Miss Anna Gray is now located at the Spinster Home at Venturetown.

2000

If you take any of these incidents of former years seriously, you are foolish.

Mary Bordwell, '26.

# ATHLETICS

## BOYS' ATHLETIC ASSOCIATION

The growth of the Boys' Athletic Association in recent years has been remarkable, there being at present over one hundred members. The fellows owe much to the Athletic Association, as it is the power behind the throne, and it is through the Association that the fellows receive their sweaters and letters.

At a meeting held in October the following officers were elected:

President.....	DAN DORSEY
Vice President.....	FRED GEBHARDT
Secretary.....	CHARLES EGGLESTON
Treasurer.....	P. W. M. PRESSEL
Faculty Advisor.....	J. B. LEIDIG

For the first time in recent years it was found advisable to discontinue Association dances, due to lack of interest shown. Two dances were held with but little success, although it is hoped that it will be possible to continue them at a later date.

At a meeting in December Tom Moran was elected Manager of Track, Henry Anderson Manager of Football, and Fred Gebhardt Manager of Baseball. A meeting is to be held in the future to elect a manager for the basketball team,

Charles Eggleston, '26.

## FOOTBALL

Warren High opened the season of 1925 with six lettermen back from the preceding year. Captain Earl Linquist, Manager Claude Schindler, Charles Eggleston, Dan Dorsey, Richard Schlaack, and John Schumacher were the men around whom Mr. Leidig built his team.

The season could not be considered other than a success. Eight games were won and four lost. This year's schedule was the hardest schedule ever attempted by Warren High teams, such teams as Greensburg, Bradford, Erie East, Jamestown, and Niagara Falls appearing on it.

Seventeen men were awarded their varsity letters: Captain Earl Linquist, Manager Claude Schindler, Charles Eggleston, Dan Dorsey, Captain-elect Richard Schlaack, John Schumacher, Manager-elect Henry Anderson, George Senger, Ellsworth Wright, Fred Gebhardt, Charles Duff, Esmond Koebley, Philip Kehr, Leslie Babbitt, Tom Moran, Frank Bogart, and Perry Davidson.

The following games were played:

SEPTEMBER 12

WARREN 13 -- YOUNGSVILLE 0

In the first game of the season the team got off to a poor start and defeated Youngsville by the small score of 13-0. Many substitutes got into this game, and the prospects for a good team looked favorable, considering the fact that Youngsville had a veteran team.

SEPTEMBER 19

WARREN 23 -- SHEFFIELD ALUMNI 0

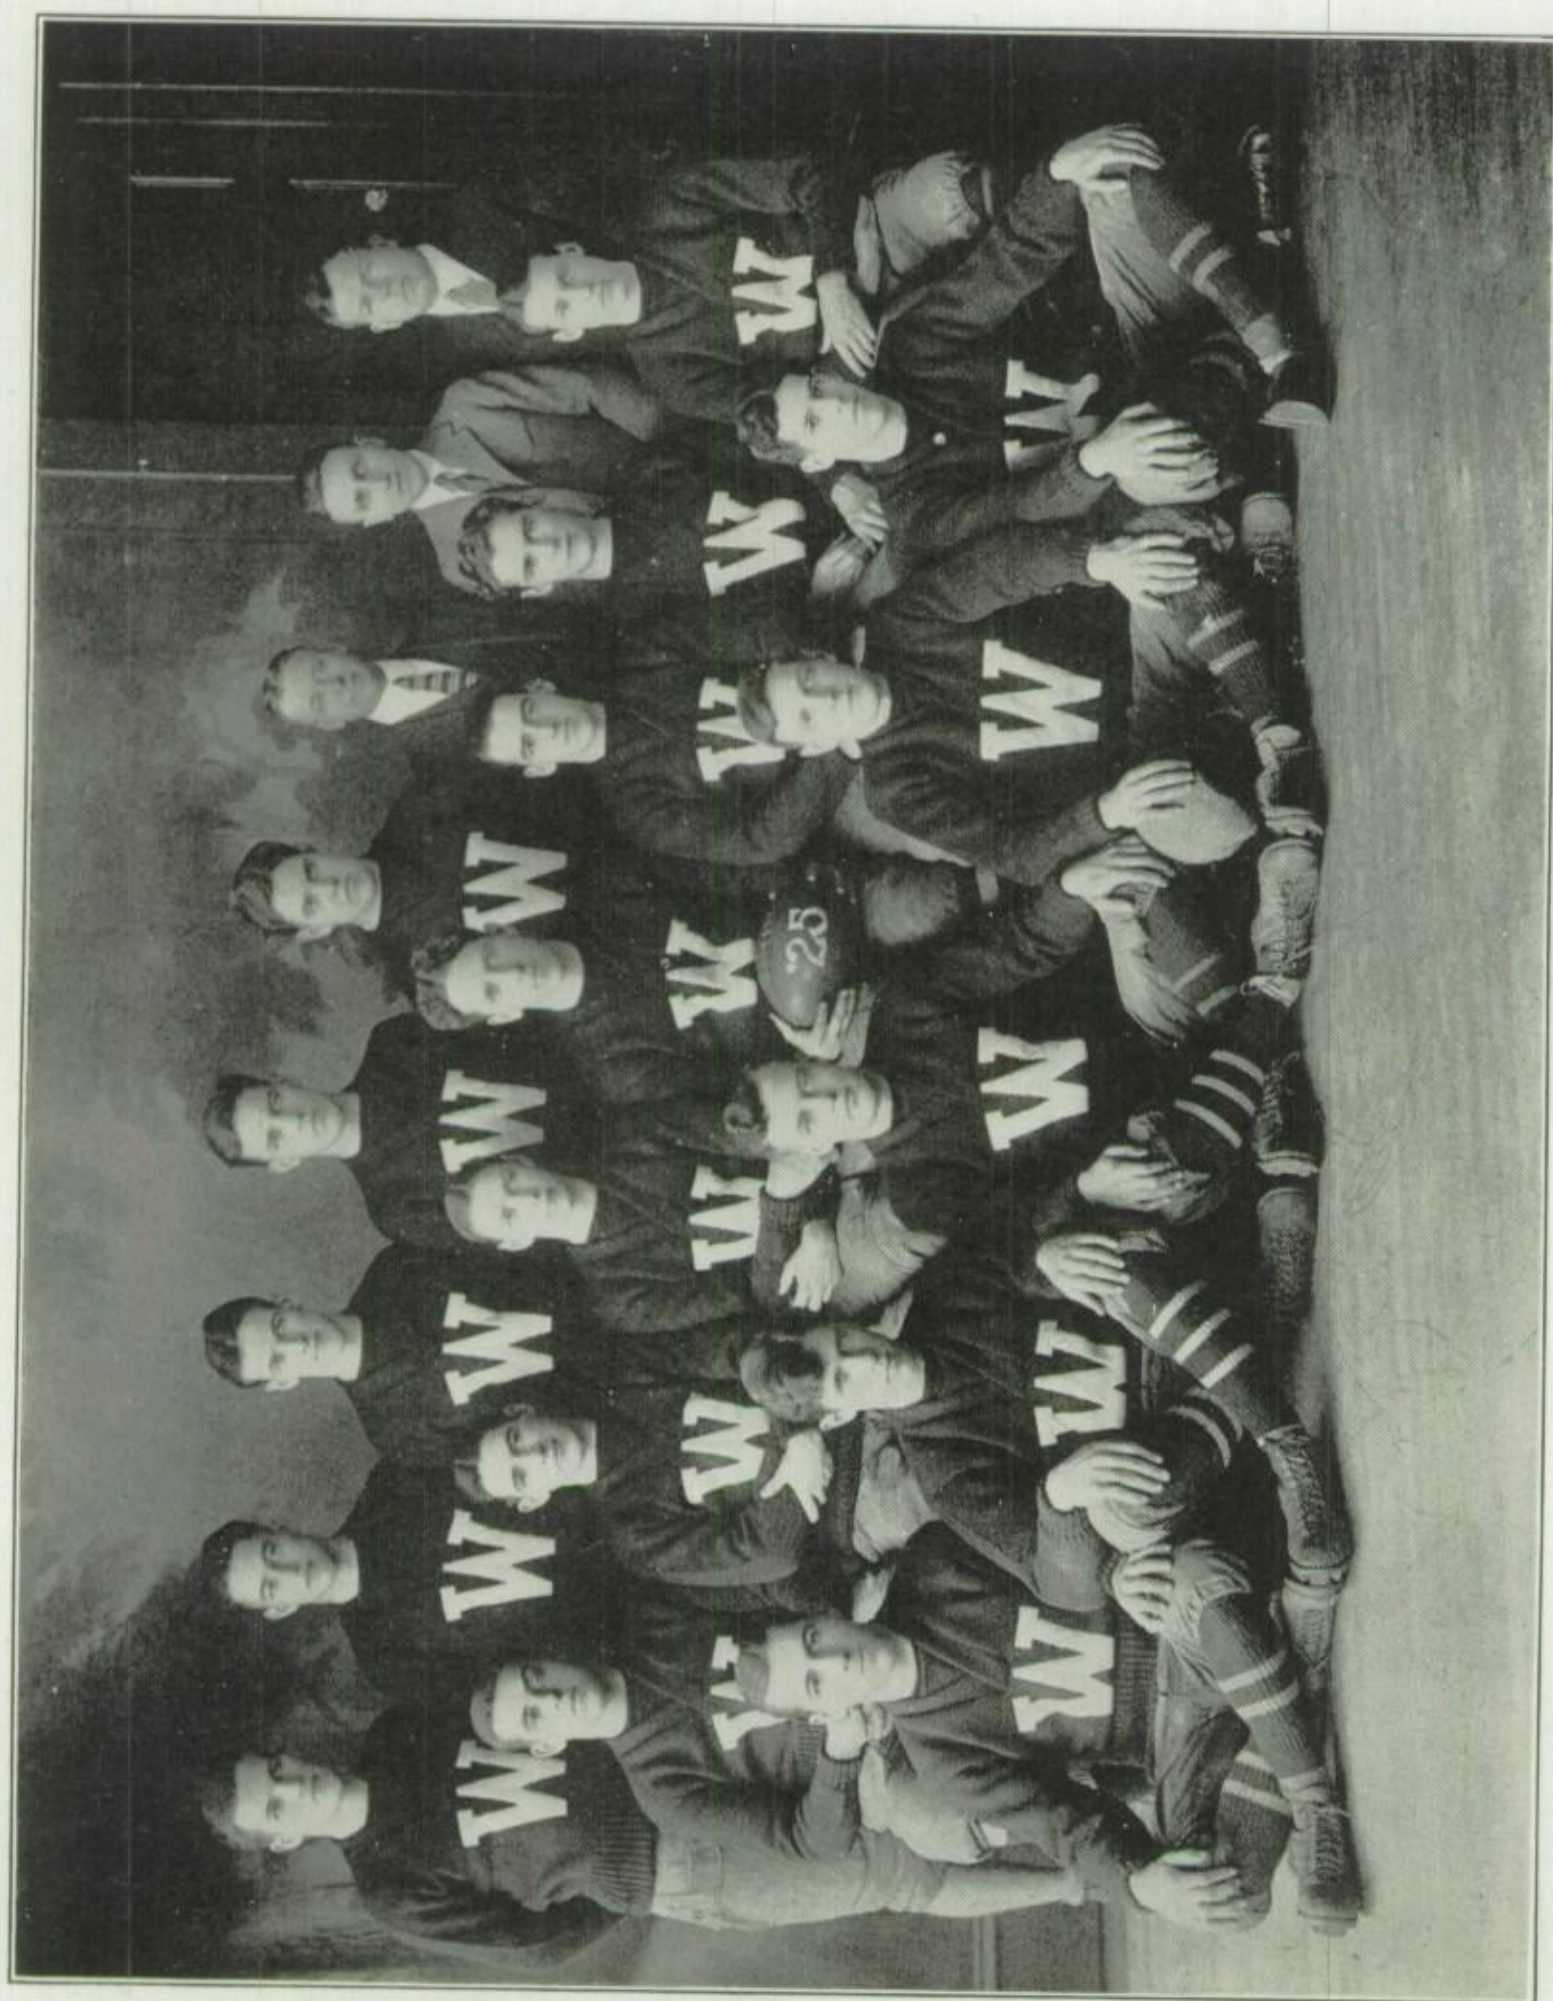

In the second game of the season we faced an old experienced team, but we managed to defeat them with ease. It was extremely hot, but the final score read 23-0.

SEPTEMBER 26

WARREN 26 -- KANE 0

Kane was our next opponent, and the fellows were all determined to avenge the tie game of the previous year, and avenge it they did. Kane had a good team, but Warren had a better one. The final score was 26-0.

The football team of the year, 1925. Back row: Coach, Manager, and two other men. Middle row: Seven players. Front row: Seven players, including the player with the number 25 on his jersey.

OCTOBER 3

WARREN 40 -- RIDGWAY 6

Ridgway with a team of veterans visited Warren and earned the distinction of being the first team to cross over our goal line. We rallied, and from then on it was but a question of how large the score would be. The final whistle showed that we had won by the score of 40-6.

OCTOBER 10

WARREN 7 -- GREENSBURG 27

A green team playing a veteran team and the first out of town game led to a severe drubbing at the hands of Greensburg's wonder team. After the smoke of the battle passed away, we were the trailers on a 27-7 score.

OCTOBER 17

WARREN 20 -- TITUSVILLE 0

Titusville, with a team of eleven lettermen, held no fear for Warren, who, aided with several breaks of the game, handed them a 20-0 drubbing on their own ground.

OCTOBER 24

WARREN 2 -- ERIE EAST 7

The better team lost in this instance. A lucky break of the game in the opening seconds of play gave Erie an unearned victory. Nine first downs to Erie's one showed the margin by which the Warren Warriors outplayed Erie. Playing in a sea of mud, Warren had to be content with a 7-2 loss.

OCTOBER 31

WARREN 7 -- BRADFORD 6

Mud, mud, mud and more mud. Playing in a field of sawdust and clay, Warren defeated Bradford 7-6. It was a good game, the mud being the only thing which prevented the score from being larger.

NOVEMBER 7

WARREN 37 -- OIL CITY 7

The mud still existed and was perhaps the worst yet. Oil City was confident of winning, but the final score showed that we were the conquerors by a 37-7 score. Oil City was paralyzed for a time, but upon being placed under the showers soon revived.

NOVEMBER 14

WARREN 0 -- JAMESTOWN 13

Our old friendly rivals finally did it. We went to Jamestown, faced a veteran eleven, and with the breaks of the game against us we lost by the score of 13-0. The better team did not win, however. It was an extremely clear day with approximately 8,000 or 10,000 people in attendance. Jamestown will have a veteran eleven back next year, but we will wait until then to even up old scores.

NOVEMBER 21

WARREN 19 -- JOHNSONBURG 0

With a badly crippled team, Warren went to Johnsonburg and showed their superiority by handing Johnsonburg a 19-0 defeat.

NOVEMBER 26

WARREN 6 -- NIAGARA FALLS 7

In what was said by many to be the best game and likewise the best team to visit Warren this year, Niagara Falls defeated Warren by the score of 7-6. The game was nip and tuck all the way, it being anybody's game up to the last.

Charles Eggleston, '26.

## BASKETBALL

### CHAUTAUQUA

The Warren High Varsity opened their 1925-26 season successfully, by decisively defeating Chautauqua High School on the former's court by the score of 40-12. Although it was not a close game, the fans had a good chance to view Warren's new Varsity in action together for the first time.

### KANE

Kane was Warren's next opponent, and the hill-toppers were forced to accept the small end of a 34-15 score. It was decidedly different from the Kane-Warren game of the past season, and the Warren team showed a marked improvement over their work against Chautauqua.

### RIDGWAY

Then Ridgway came down and, in a very close game, put a stop to Warren's string of victories by defeating the Blue and White 30-29. The out-come was not evident until the final whistle had been blown.

### CORRY

Warren, somewhat aroused by the defeat at the hands of Ridgway, easily defeated the Corry Hi Five in their first league tilt, by the score 63-16. It was evident from the start that Corry could not stand up against Warren's attack.

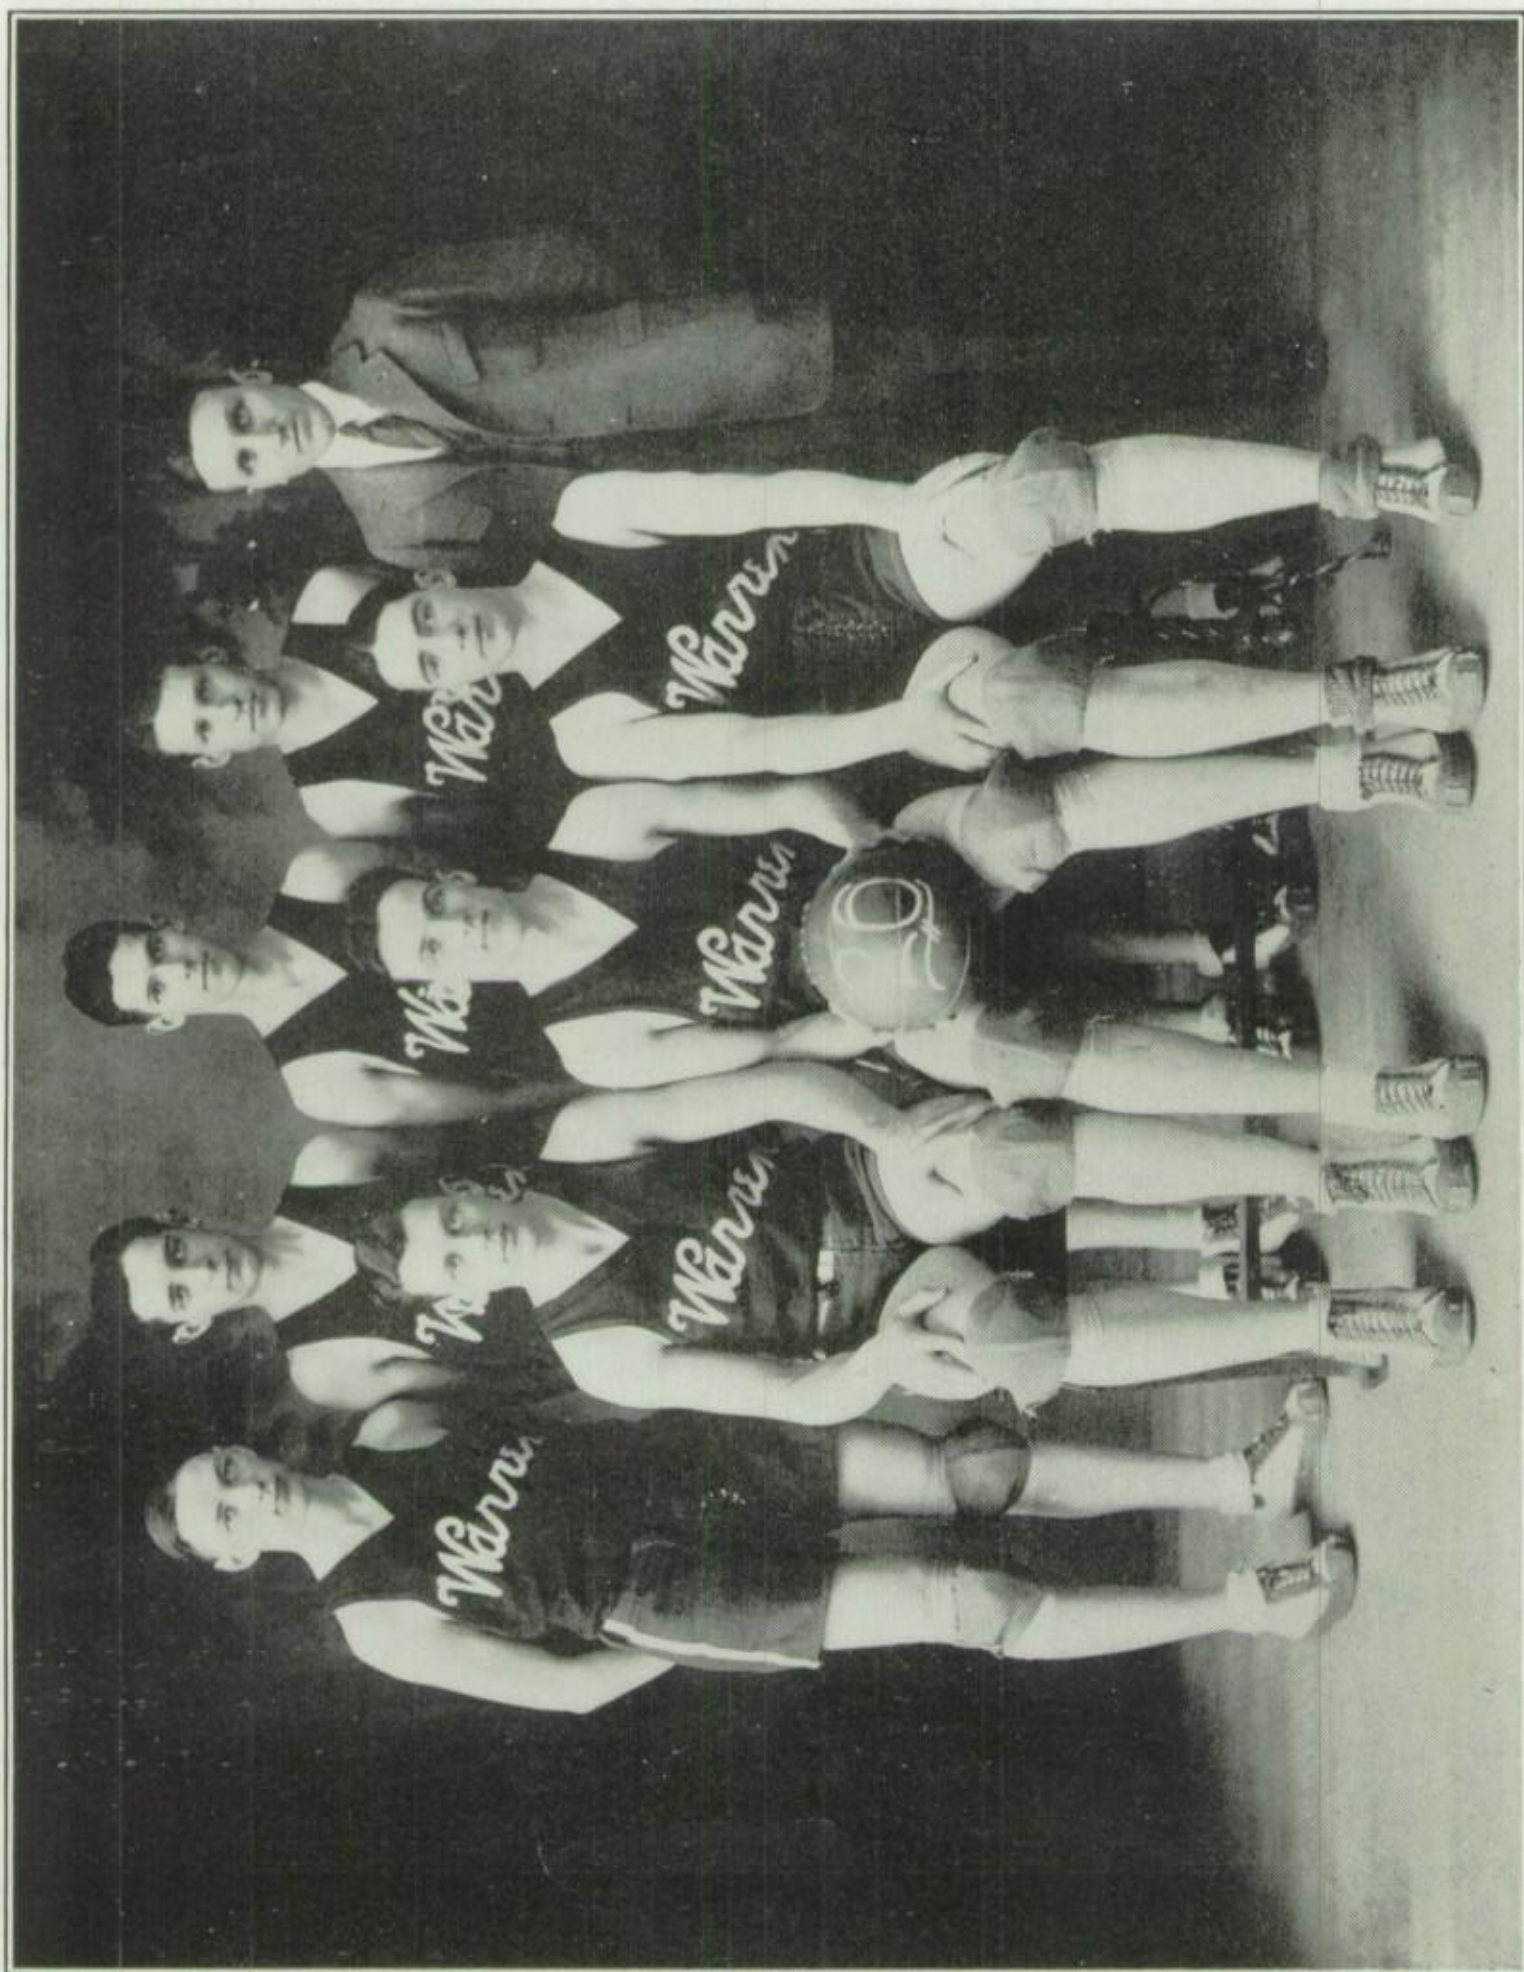

### BUFFALO TECH

Warren High met its first real test when the highly-touted Buffalo Tech Team were pitted against them. Though the Bison City Team was fast, Warren appeared to be enough faster to send the visitors back with a 29-26 defeat.

### OIL CITY

Warren then journeyed to Oil City, and, in the first out of town game and second league tilt, defeated the Down-River team 27-17. This was the first time in many years that a Warren team had won from the Oilers on their home-court.

## ERIE CENTRAL

Here was one of the most interesting games ever played on the High School court. Warren formed a stone-wall defense and handled the ball with more accuracy than had been heretofore shown, thus turning back the strong Erie quintet 30-18.

## CALIFORNIA NORMAL

Al Wolfe and his Normalites formed the next attraction, and they surely were warmly welcomed. It looked easy for the visitors at the beginning, but Warren soon strengthened and it looked like a win for Warren, but just then the whistle blew and California was found to be ahead, 24-23.

## FRANKLIN

Next, the league-leading Franklinites arrived in Warren, and luckily caught the team in a slump, nothing else. On the contrary, Franklin was shooting, and they took Warren's measure to the tune of 37-21. Warren just couldn't get started.

## RIDGWAY

Then Warren started for Ridgway, aching for revenge, and they "got it." Warren got going and Ridgway seemed lost in the smoke. The Section Seven leaders did not show up so well, and consequently lost to a team which they had once before beaten. Warren won, 33-18.

## TITUSVILLE

Warren then moved on to Titusville for their third league game, and it was there that the old dope was upset. Titusville got away to an early lead, and at the end of the game, lead 34-30. It was quite hard to figure it out!

## ERIE EAST

Erie East was Warren's next opponent, and, slightly disheartened by the outcome of the preceding night's game, they were forced to accept defeat by this year's champs. The Erie East team, working like a great machine, soon lost Warren, and so won, 43-23.

## JAMESTOWN

Coming out of a slump, and strengthened by the spirit connected with the game, Warren sent down an overwhelming attack on their closest rivals and defeated them 46-25. This surely livened the team up and most of all sent Jamestown home quietly.

## KANE

Warren, foolishly leaving their football togs at home, lost a very startling struggle to the Kane Basketball team, by the score 25-22. It was just a different kind of basketball than the boys had been used to playing. That's all!

## CORY

Warren repeated its former defeat of Corry, by winning on the latter's floor, 62-26. It was not close, but there was much interest in how many points Warren would get.

## OIL CITY

The Oilers arrived for their battle with Warren, hoping to avenge the defeat earlier in the season, but they were sadly disappointed. The visitor's Five Man Defense was very strong, but our boys managed to break through it and ring up 39 points while the Oilers were busy getting 19. Score, 39-19.

## ERIE CENTRAL

Erie again seemed a jinx for Warren, and the Red and Black turned back the Warren boys by the score 37-16. Central had everything their own way, and there was no question as to the winner.

## FRANKLIN

Warren, with their minds made up to win, journeyed to Franklin and in a game of many irregularities—played Franklin. There was a great deal of talking over the game, and—well—each side said it won, and that couldn't be!

## TITUSVILLE

Warren put the wool over Titusville's eyes on their trip to our little town, and sent them away with a 28-11 defeat for their side. It certainly was a treat to the fans to see Warren going in such good form.

## ERIE EAST

Once more did the Section Three Champs defeat Warren, but at least the fans had the opportunity of seeing one of the neatest teams in the state in action. Erie won 46-16.

## JAMESTOWN

Our last game, and unquestionably the most important, was played at Jamestown. Thinking Warren would be lost on their large floor, the Red and Green felt sure of a victory. But there was one thing they forgot, Warren can play just a little better than they. Every Blue and White player who entered the game figured in the scoring, and we ended our season successfully by winning, 32-12.

R. K. Offerle, '27.

## SECOND TEAM

The picking of a Second Basketball Team this year was a task, because of the fact that there was such a large number of players who all ranked about the same. Finally thirteen men were picked. They were divided into two teams, one captained by Harold Healy and the other by Horton Smith. Healy's group was called the "First Seconds" and the other the "Second Seconds".

The two teams worked on a unique basis. During practice a game would be played between the two second teams. The winner played the next game that came on the schedule.

During this season we played twenty-nine games, out of which we won nineteen. Our greatest reason for thinking our season was a success was the fact that we defeated the Clothes Shop in two out of three games.

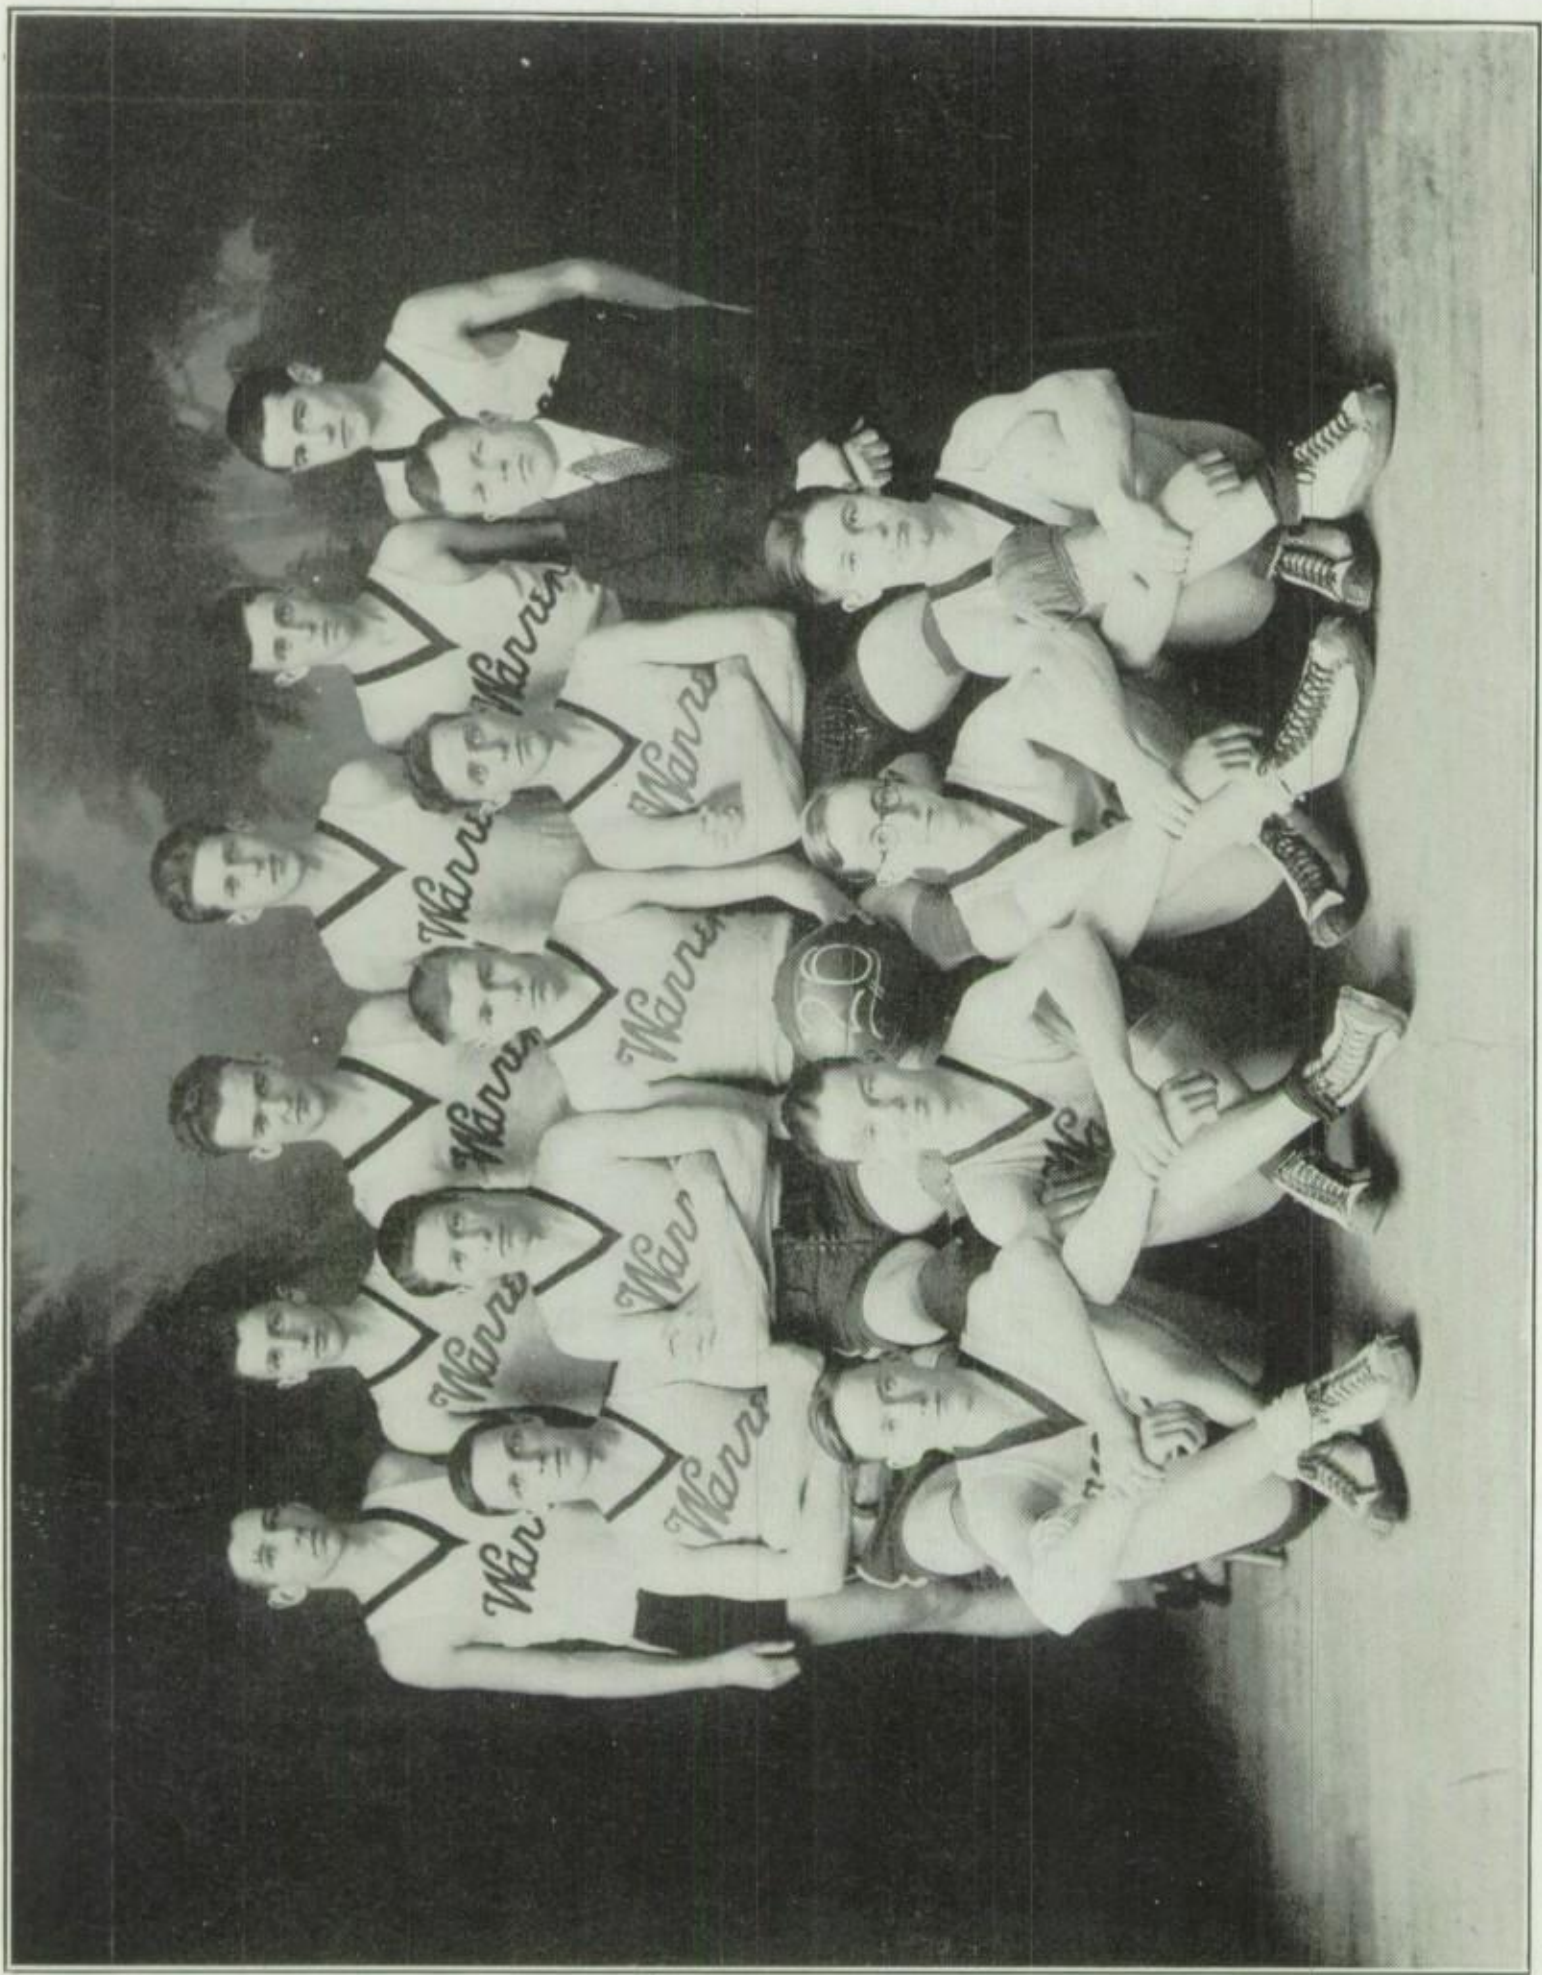

The following men played on the two teams: **FIRST SECONDS**—Captain Harold Healy, Manager Chester Lawson, Robert Offerle, Norman McIntosh, Alan Waid, Leslie Babbit, Robert Field, Charles Young. **SECOND SECONDS**—Captain Horton Smith, Max Chapman, Leo Driscoll, Laurie Billstone, Harold Mitchell, Robert Walsh.

Ruth Siggins, Betty Phillips, and Ruth Garrison were elected cheer leaders.

The Association bought basketball suits for the varsity this year. This was the first time such a thing had been done. Ruth Garrison was captain of the team, and Gretchen Heasley was manager. Eight girls received their basketball sweaters. These were presented in chapel at the same time as the boys' sweaters were.

Hockey W's were awarded to four Senior girls who played in the Franklin game. Hockey manager Elisabeth Eaton presented them and also numerals to the remainder of the varsity and to the class teams.

Tag Day and Indoor Carnival were the chief events in the Association's calendar this year. Ruth Garrison was General Chairman for the Carnival. It was due to her efforts combined with Miss Alter's that the affair proved to be such a success.

The Athletic Association wishes to take this opportunity to thank all those who have so loyally supported the club this year

## GIRLS' BASKETBALL TEAM

The W. H. S. Girls' Basketball Varsity had a very successful season, having lost but one game.

Ruth Garrison and Dorothy Thompson, guards, were the only returning letter girls this year. The other members of our team this year were Frances Lyons, guard, Ann Durham, center; Lillian Culbertson and Maybelle Watt, taking turns at side center, and Jean Ball and Gretchen Heasley as forwards.

The following is a list of the games and scores of the season:

Warren 29 — Sheffield 6	Warren 23 — Kane 21
Warren 35 — Jamestown Y. W. 17	*Warren 19 — Bradford 4
*Warren 17 — Oil City 16	Warren 70 — Oil City 7
Warren 15 — Bradford 7	*Warren 32 — Kane 22
*Warren 9 — Titusville 14	Warren 50 — Titusville 21

\* Games away.

Gretchen Heasley, '27.

## GIRLS' SECOND BASKETBALL TEAM

Considering the fact that four out of five games played by the Girls' Second Basketball Team were out of town, we cannot call this a poor season. Besides, most of the second team's girls were new at the game, this being their first year.

Although they lost three out of five games played, they put forth their best effort, and they gave the first team wonderful support. We have big hopes for them next year.

The Lineup was as follows: Betty Kopf, forward; Bethene Phillips, forward; Jane Lyons, forward; Leah Henderson, forward; Captain Elisabeth Eaton, guard; Anne DeFrees, guard; Ethel Robson, guard; Ellen Johnson, guard; Betty Eldred, center; Justine Schuyler, side center; Violet Covert, side center; Ruth Goodwin, side center.

## BASEBALL

Baseball season was delayed for some time this spring because of the weather conditions. There are eight letter men and a promising group of new candidates seeking a position on the varsity.

The lettermen from last year's team are: Captain Charles Eggleston, Manager Fred Gebhardt, George Senger, Charles Duff, Robert Offerle, Henry Anderson, Fred Ebel, and Chester Lawson.

The following games have been arranged:

April 16—Youngsville

April 17—Alumni

April 19—Youngsville

April 27—Bradford

April 30—East Hi All Stars

May 6—Bradford

May 13—Tidioute

May 14—Sheffield

May 18—Sheffield

May 22—Jamestown

May 27—Tidioute

It is hoped that we will enjoy this season without meeting defeat, because it is rumored that this may possibly be the last year for baseball in Warren High.

As this must go to press before the Jamestown game is played, it will be impossible to give the results. The only thing that can be said is that the entire squad is looking forward to the "great event".

Fred Gebhardt, '26.

## TRACK

The track team this spring was rather depleted through the graduation of many of its valuable athletes, making it necessary to depend upon the ranks of students for the necessary material from which to draw.

"Mush" Kaltenbach was chosen our captain for the year, and Tom Moran was chosen manager.

It was around the nucleus of the following lettermen the team was constructed: Scott, weights; Evans, relay; Davidson, high jump; Kaltenbach, dashes; Schindler, weights; Mack, distance; Schumacher, middle distance.

The track team has been very successful in molding such a winning team as is competing at Clarion when this goes to press.

Besides the Clarion meet, Warren High has been in four other meets, winning all but one which was the Sectional Track Meet in Erie. Warren didn't show up poorly, however, because she managed to tie for second place. By winning at Erie, Ehrhardt and Scott have gone to Bucknell to compete in their events.

## SENIOR PLAY

In "Cappy Ricks" the Class of 1926 presented one of the finest comedies to be found on the amateur stage. It was selected by a unanimous vote of the play committee. The same story and characters and the same scintillating humor which is found in the novel of Peter B. Kyne on which the play is based were always in evidence.

After a week and a half of tryouts, Miss Kahl and Mr. Pressel chose the following cast:

Cappy Ricks.....	ROBERT GRAY
Mr. Skinner (the manager).....	PHILIP KEHR
Florence Ricks.....	EDNA ARNOLD
Captain Matt Peasley.....	ALGOT SWANSON
Cecil Pericles Bernard.....	LAURIE BILLSTONE
Aunt Lucy.....	ANNA GRAY
Ellen Murray.....	ELISABETH EATON
Mr. Singleton.....	LESTER SHELDON
Chauffeur.....	FRANK BOGART
Office Boy.....	GEROULD OSTERGARD

The excellent and skilled instruction of Miss Anna Kahl was responsible for the exceptional goodness of the production, for both the elocution and action were above the normal standard.

Robert Gray interpreted the part of Cappy, the blustering old sea captain with the heart of gold, in a most capable manner. The role was particularly difficult and long. More than once in the rehearsal did his voice reach about the lowest tone possible for the human voice.

Edna Arnold was a very enchanting daughter and sweetheart, and influenced the action very dexterously.

Algot Swanson proved himself to be a very efficient and stalwart seaman.

With Cecil's role, Laurie Billstone showed what a sissy and fool a man can be.

Anna Gray was a most pleasing Aunt, and carried her part very well.

Elisabeth Eaton represented the ideal secretary in Mr. Rick's office.

Lester Sheldon brought forth some comedy as the youthful lawyer.

Frank Bogart and Gerould Ostergard both performed their duties so capably that they have already been offered positions about town in like work.

"Cappy Ricks" a great hit in Warren. Paramount acting combined with personality. Best seen on the high school stage anywhere. —*Pittsburgh Moon*.

## HIGH SCHOOL ORCHESTRA

The High School Orchestra, under the direction of Mr. Kenneth G. Wells, Supervisor of Music, has played on a number of occasions during the school year, among which were a group of numbers rendered at "Green Stockings", a play twice given in the High School Auditorium. The orchestra also played for the annual Senior play "Cappy Ricks", given on April 30 and May 1 at the High School, and for the Athletic Field Day exercises held May 12.

The orchestra was organized early in September of the school term with the following officers:

President.....	MARY BERGER
Vice President.....	CARLETON ERICKSON
Secretary.....	VERA ALZINGRE
Treasurer.....	ALGOT SWANSON

Since the best and most highly developed musical talent left the high school in the class of '23, an almost entirely new orchestra had to be developed with hardly any available material. Nevertheless, under these circumstances the orchestra directed by Mr. Wells has developed to a most gratifying degree in playing ability.

The orchestra practiced once each week, played every morning and afternoon in chapel, and took an active part in all the school activities which required orchestral assistance.

Among the numbers which were rendered in the different appearances of the organization, the following are included: "Student Prince", "Mikado", "Sweetheart", and "Out of the Dusk". The following marches were also worked up: "General Pershing March", "Egyptian March", "Virgin Islands", and many other numbers not quite so important.

The personnel of this year's orchestra, which comprises the majority of its talent, is:

VIOLINS:—Leonhart Donaldson, Vera Alzingre, Pauline Smedley, Agnes Falber, Sarah Lamon, William Hay, Edmund Bows, and Louis Gaghan.

CLARINETS:—Carleton Erickson and Norman Kehrli.

CORNETS:—Charles Sellin and Winifred Roorbach.

TROMBONE:—Mr. Wells.

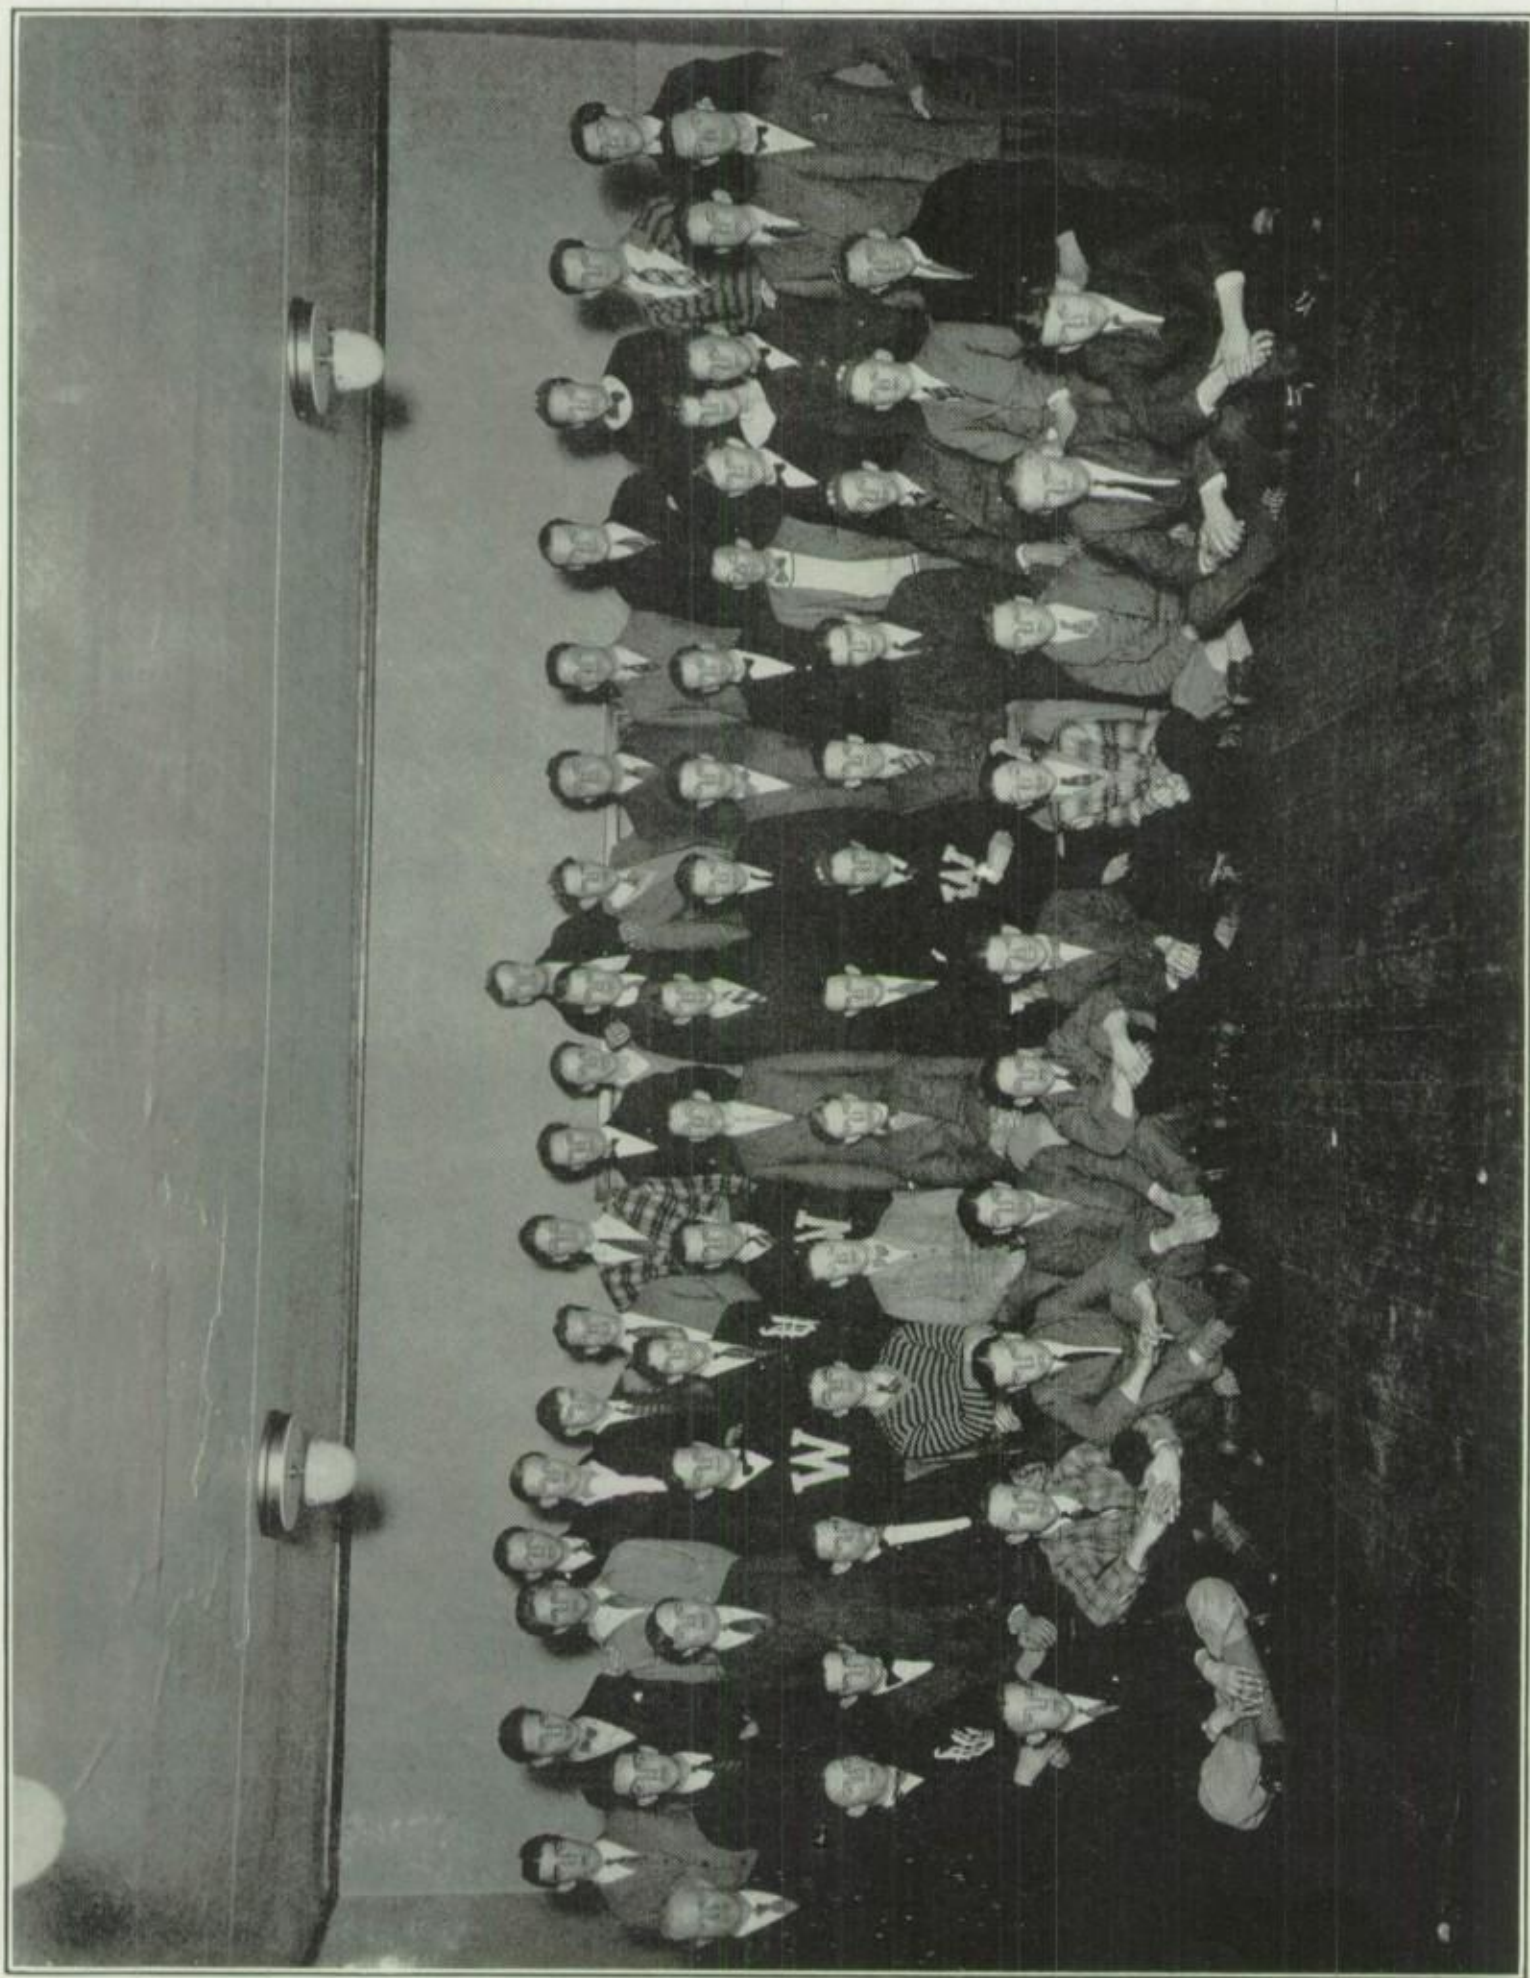

SAXOPHONES:—Algot Swanson, Grace Rapp, Leland Springer, Donald Pratt, and Leo Humris.

PIANO:—Mary Berger.

DRUMS AND TRAPS:—Richard Fox.

## HI-Y CLUB

The Hi-Y has been very successful during the years of 1925-1926. The club has grown considerably since last year, for all the members were very enthusiastic and gave us the best possible support. Great interest in the work and direct participation in the activities have gone to make this a very instructive and enjoyable season.

At the meetings some very enjoyable speeches were given. One meeting out of every month is given over to a social affair which always goes over big. We are entertained by an orchestra and "The Echo"—written by one of the committee appointed for the affair.

The last meeting of the club was a Mother and Son's banquet held at the Y. M. C. A. April 28, 1926. The fellows all agreed that this was the best meeting of the year.

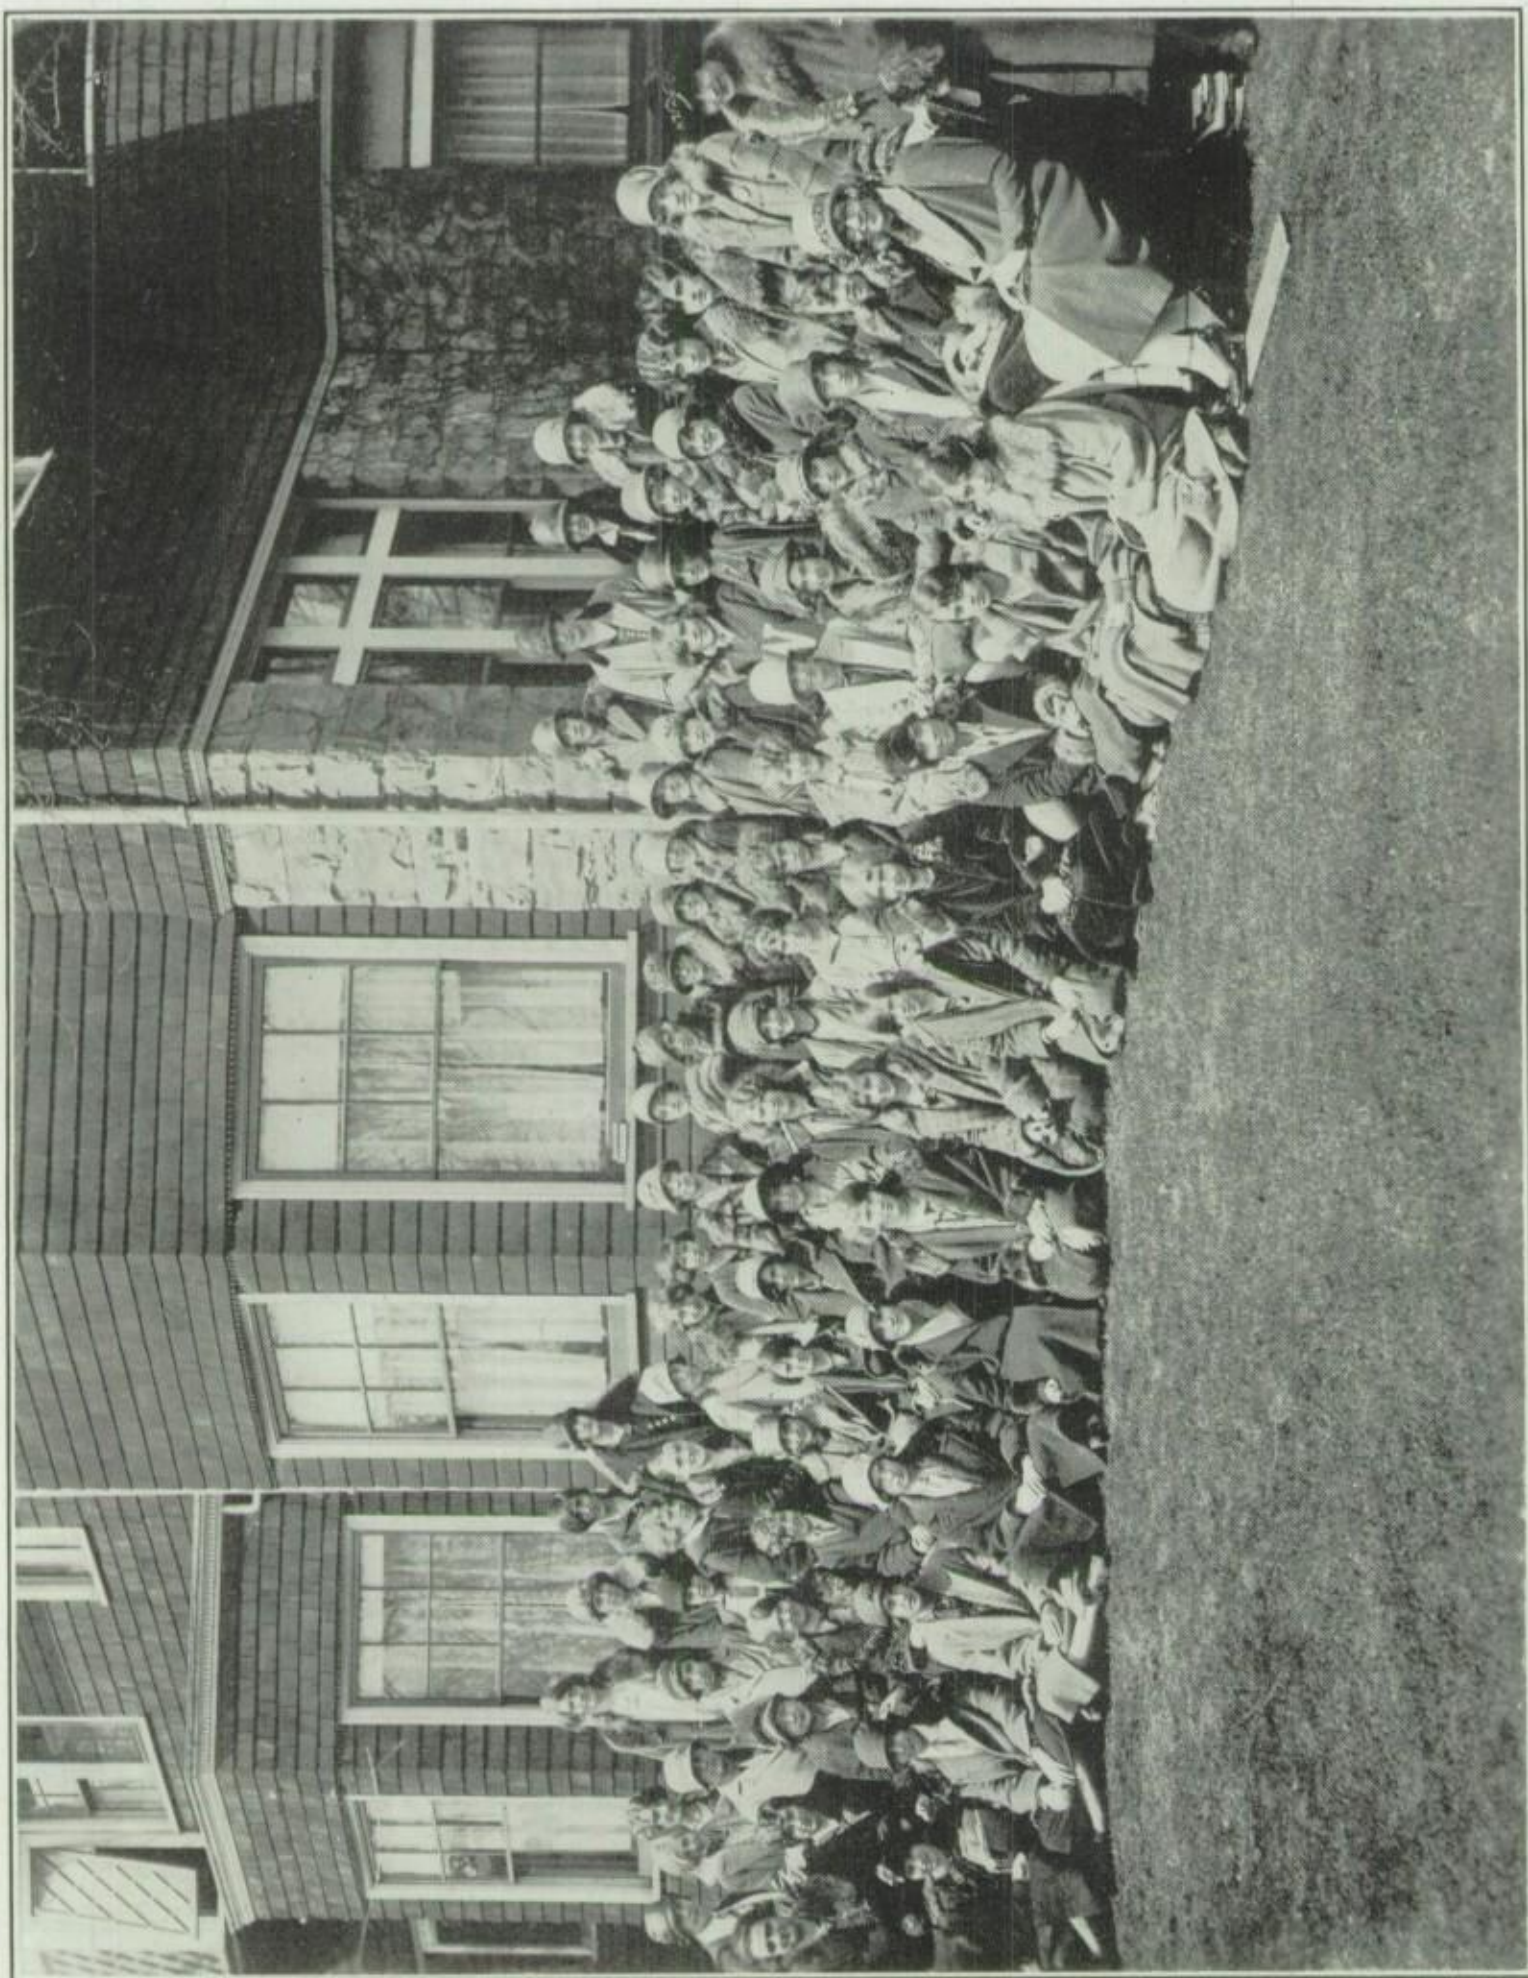

Officers for the closing year were as follows:

President.....	FRED GEBHARDT
Vice President.....	DAN DORSEY
Secretary.....	JOHN ALEXANDER
Treasurer.....	PHILIP KEHR

# GIRLS' CLUB

## OFFICERS FOR 1925-1926

President.....	ELISABETH EATON
Vice President.....	HELEN JOHNSON
Secretary.....	MARY BORDWELL
Treasurer.....	FLORA MUMFORD

September saw the organizing of the Girls' Club for this year. The committees were chosen, and, at the opening supper given for the chairmen and their committees, the yearly program was discussed. Nearly a hundred new members were taken in during the membership campaign.

This was the first year that the High School Girls' Club Mid-Year Conference met here. It was held October 23, 24, 25. The theme of the conference was "Lamplighters". Representatives came from northwestern Pennsylvania and southwestern New York. The conference proved to be the biggest event which was undertaken this year.

The girls of the club will remember as the most interesting activities of the year the annual Hallowe'en Party given by the Y. W. C. A. and Y. M. C. A., the collections of hospital donations, the Christmas Party for the poor children of the town, the Japanese Bazaar, the play "Green Stockings" given with the Y. M. C. A. and the Mother and Daughter Banquet. Our supper meetings have been successful, due to many interesting speakers.

On April 21, the annual election of officers for next year was held with the following results:

President.....	HELEN JOHNSON
Vice President.....	BETTY KOPF
Secretary.....	DOROTHY ARNOLD
Treasurer.....	GRETCHEN HEASLEY

Also the following girls were elected as delegates to Newton Hamilton: Betty Kopf, Ruth Goodwin, Florence Irwin, and Helen Henry.

We hope that the new officers will have the support of the club members in carrying out the spirit which has been shown in the previous years.

Elisabeth Eaton, '26.

## BOYS' GLEE CLUB

A new organization in the High School known as the Boys' Glee Club was formed soon after school started in September.

The following officers were elected:

President.....	MR. THOMAS MORAN
Vice President.....	MR. FREDERICK GEBHARDT
Secretary and Manager.....	MR. GEORGE SENGER
Director.....	MR. CHASE GAGE
Assistant Director.....	MR. KENNETH WELLS
Pianist.....	MR. JAMES BARRETT

The club has a personnel of about thirty-five members. On March 26, we gave our first home concert to the public. We had several more concerts including the Competitive Concert held at Clarion in May. We engaged Kaltenbach's Pennsylvanians, a high school orchestra, as an added attraction to our program.

We sincerely feel and have the greatest confidence that the club will be even bigger and better next year than the one this year.

George Senger, Mgr., '26.

## GIRLS' GLEE CLUB

President.....	FLORENCE REED
Vice President.....	EDNA ARNOLD
Secretary.....	MARGARET BIRCHARD
Treasurer.....	HELEN JOYNER
Librarian.....	MARY BERGER

The most of the work this term has been on the cantata, "Hiawatha's Childhood", which was given in chapel on March 12. This was said to be the best piece of work that the Club had put forth, requiring longer and harder practice than the others.

M. H. Deardorff, one of the severest music critics of Warren, pronounced it fine, and asked Miss VanTassel to have us sing the Cantata again in the Presbyterian Church at the Barnes' Lecture a week from that date. Feeling highly honored, we complied with his wishes, and with one more practice put forth a very good performance.

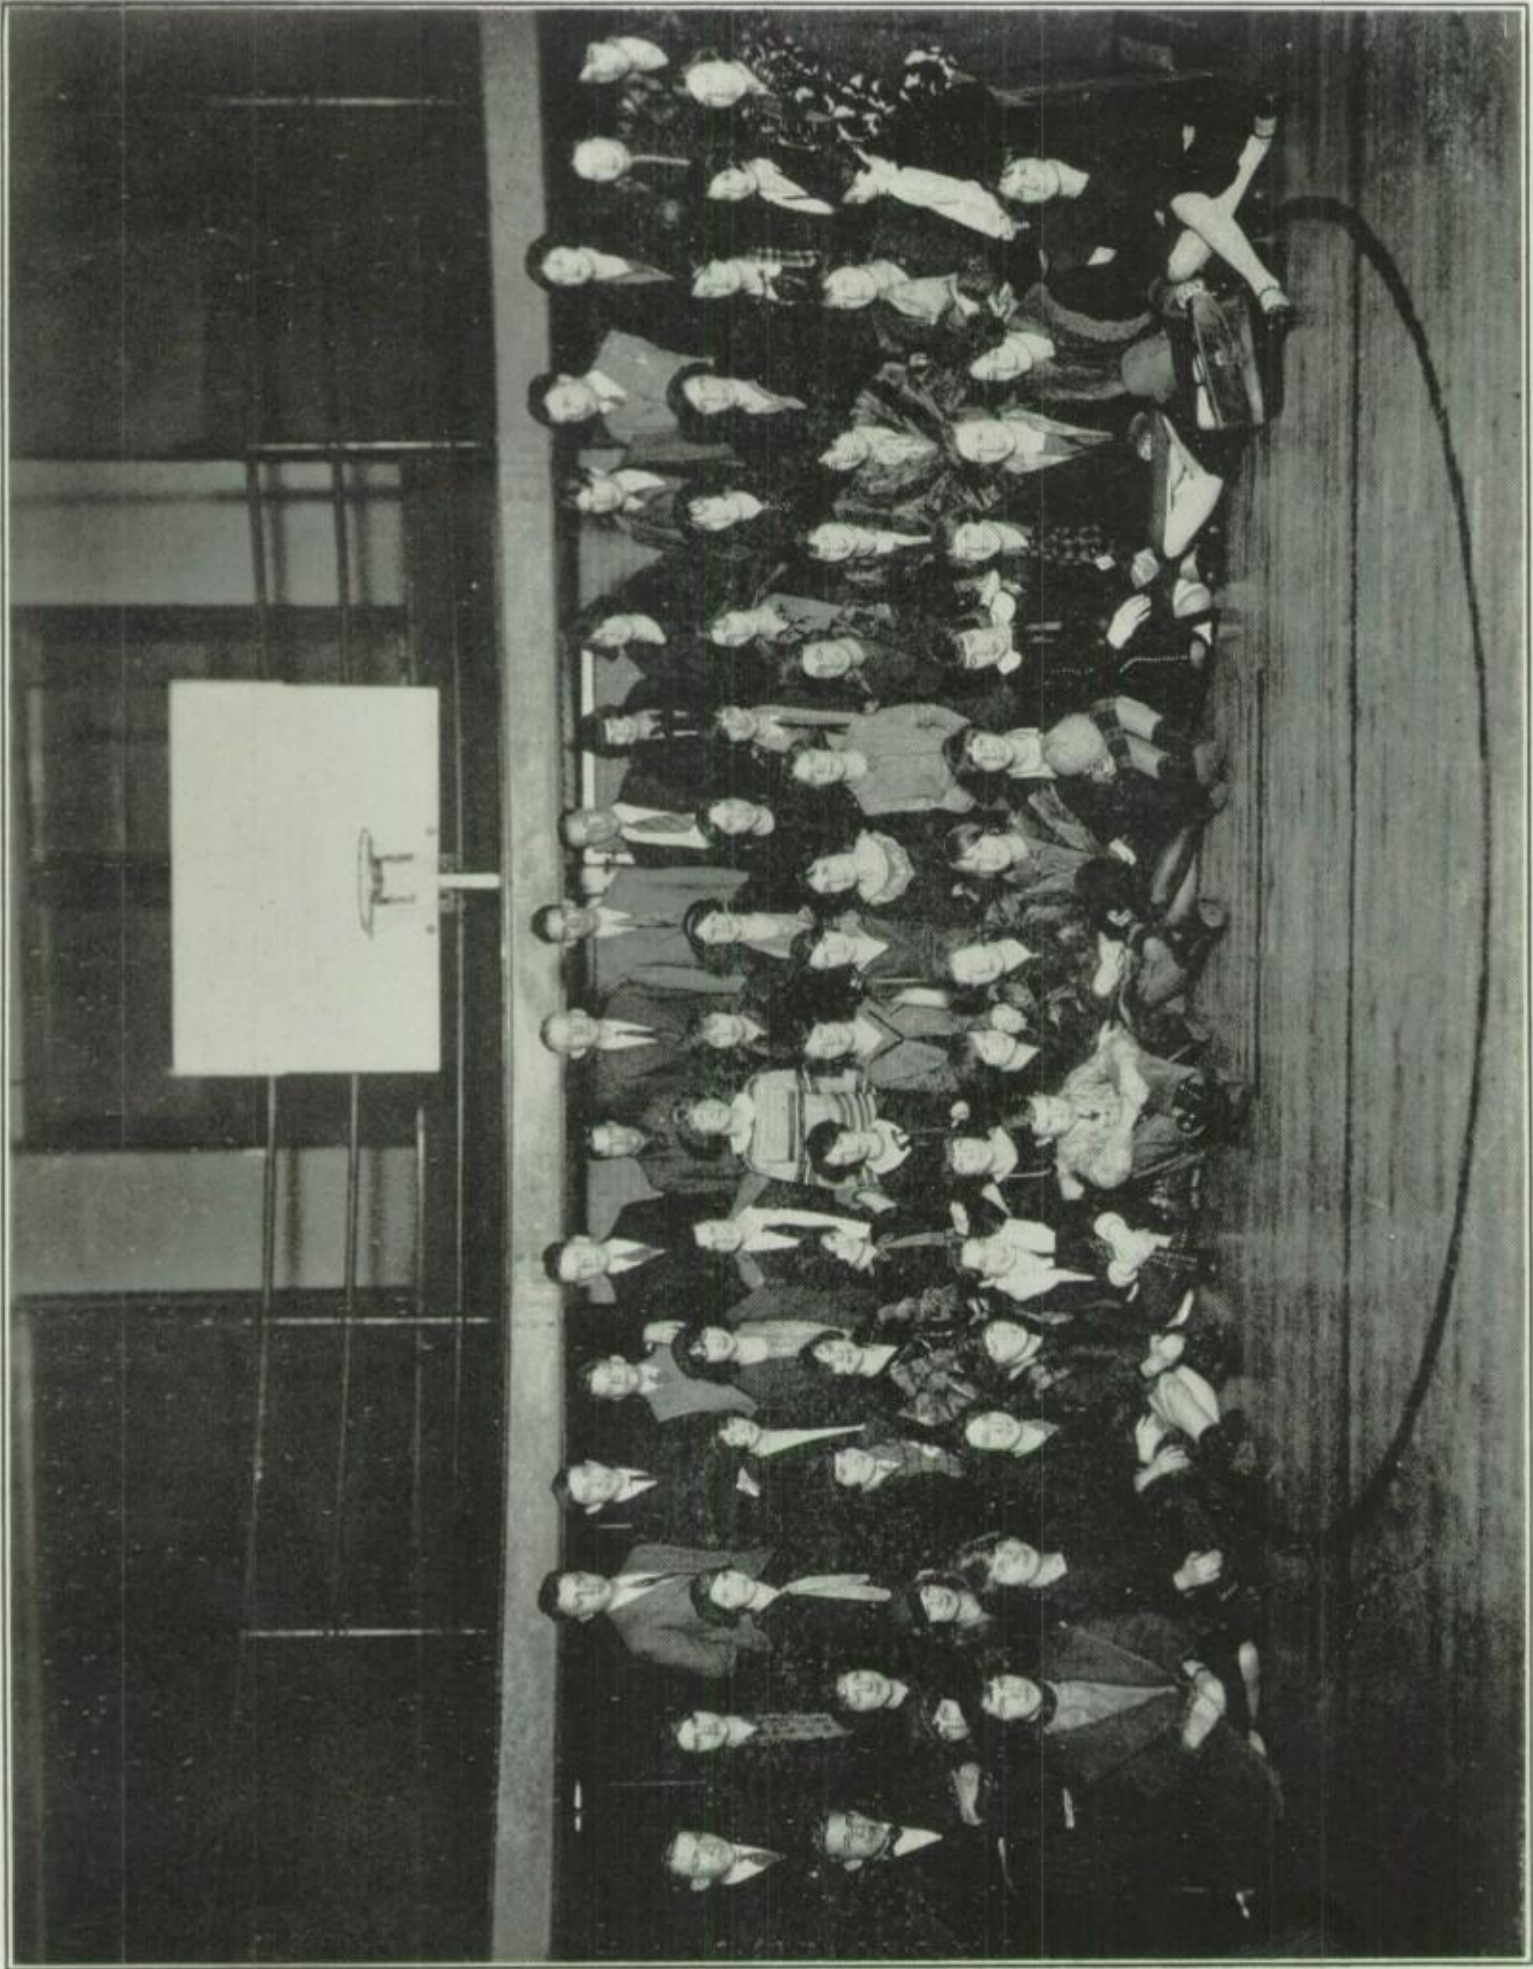

Since then our work has been on the Cantata, "Pan on a Summer's Day" and other material for the Clarion meet in May.

We feel that we owe our success of this year to the very competent leadership of Miss Lillian VanTassel.

Margaret Birchard, '27.

## DRAMATIC CLUB

The Dramatic Club officers for the year were as follows:

*First Election:*

MARY BERGER.....	President
JEAN BORDWELL.....	Secretary

*Second Election:*

JANE LYTLE.....	President
HAZEL SEDERBURG.....	Vice President
CHARLOTTE MAHAFFY.....	Secretary
ELISABETH EATON.....	Assistant Secretary

*Third Election:*

ROBERT GRAY.....	President
LAURIE BILLSTONE.....	Vice President
BETTY FIELD.....	Secretary
ELLEN JOHNSON.....	Assistant Secretary

The first dramatic club Warren High School ever had was organized in October under the direction of Miss Kahl, who soon made the Dramatic Club the most popular club in the school and increased the membership from thirty to over a hundred in a few months.

During our first year we gave the following one act comedies and farces: "Either or Eyther", "The Obstinate Family", "The Mouse Trap", "A Picked Up Dinner", "The Way of a Woman", "In Great Demand", and "O Joy San". "The Way of a Woman" was especially interesting to us because it was written by Miss Kahl. We also staged a very unusual pantomime, "And The Lamp Went Out". Our most elaborate performance was Dicken's "Christmas Carol" in seven acts. The cast contained about thirty members of the club, some of whom wore striking costumes which contributed to the success of the play.

The Club met once a month in the High School Auditorium. In accordance with our aim to have these meetings entertaining, we gave many of the plays in the Club meetings first. Some of the members also recited or sang for us. The best of these were later given in Chapel. Jane Lytle's recitation, "Hash", which was given once in Chapel and twice in Club meetings, was undoubtedly the most popular one.

The success of the Club is due entirely to the untiring efforts of Miss Kahl, who coached our plays and recitations. She gave us several talks on stage etiquette and on how to conduct meetings. After each Club meeting she usually criticized the work of the officers and of the members who had participated in the program.

"All through the day she labored,  
And kept the vigils still,  
'Till discipline controlled us,  
A stronger power than will."

We are glad to know that she will be with us again next year.

Robert Gray, '26.

## DEBATING CLUB

Our club has just finished a most eventful year. We had two dual debates and one single one. Erie East was defeated by points, although they succeeded in winning from our affirmative. Jamestown went home with an eight to one defeat. Bradford High met us for the first time, and we parted the best of friends, for neither side was victorious.

Warren High School could never be in any debating league without the help and encouragement of the faculty. Especial credit must be given to our coaches, Miss Kahl and Mr. Machmer.

The affirmative team composed of Captain Gray, Miss Cressed Card, Mr. Bramer Carlson, and Mr. Lester Sheldon, alternate, has been a great asset to us.

Each had a part to play. Mr. Gray gave leadership and experience; Miss Card gave moral appeal and good arguments well blended; Mr. Carlson gave logic and fine delivery, which is quite a bit for a first year man; Mr. Sheldon makes us hope there are more boys from Kinzua High coming to W. H. S.

The negative team composed of Captain Wilson McWethy, Mr. James Barrett, Mr. Elvis Sanden, and Mr. Charles Matthews, alternate, had the better side of the question and made use of their asset. They won every debate they entered.

Captain McWethy gave experience for his part in the team; Mr. Barrett was, like Mr. Carlson, a pleasant surprise. Jim will be with us next year, too; Mr. Sanden, a quiet Senior, gave his all for the school; Mr. Matthews is an under classman. Like Carlson he came through, and his class should be proud of him.

Our club is a very new part of "Old Warren High", but it has been very successful. Erie Academy gave us the only defeat we had. We are even with Bradford, and victors in the other nine debates we have had in the three years since we organized.

Next year we will not have Miss Card, Mr. Gray, Mr. Sheldon, or Mr. Sanden. We thank them for the work they have done so well, and we wish them every success in the future.

Wilson McWethy, '27.

## SPANISH CLUB

The first meeting of the Spanish Club was held October 27, 1925. The most important of the business matters which were discussed during the evening were the plans for the year and the time of meeting thereafter.

The club spent many joyful evenings playing Spanish games. The greatest event of the year was a Christmas party which was held December 18 in the gym. Donald Pratt's Jazz Orchestra furnished the music for the evening. Refreshments were served, and everybody enjoyed themselves.

For some weeks we have been rehearsing Spanish songs for the purpose of singing them in Chapel sometime before school closes.

In March the club sang "Bellas Palabras de Vida", ("Wonderful Words of Life"), for the Missionary Society in the United Brethren Church. We were applauded greatly and were asked to sing again. At another Missionary Meeting Laurie Billstone gave an interesting talk, taken from the Spanish Magazine, "Espana Evangelica". He also expects to give a talk on "Alhambra", and pictures will be shown to illustrate his talk. All Spanish classes will be invited to attend.

The play, "Mananas del Sol", was given in chapel. Everyone in the club has contributed very much to make it a successful year.

Officers for the year were as follows:

President.....	FLORENCE MAE GORDON
Vice President.....	ALGOT SWANSON
Secretary.....	CLARA L. COLE
Treasurer.....	LEAH L. HENDERSON

Clara Cole, '26.

## FRENCH CLUB

Last October a French Club was formed, and started out with about sixty students enrolled.

Our first meeting was held as a tureen supper in the cafeteria. We sang French songs and discussed some French customs. Miss Robinson favored us with a delightful solo, with Miss Avery at the piano.

On December 17, we had a Christmas party. This party was carried out on the White Elephant idea. Several boys gave talks on a French Christmas, and the girls sang three part songs in French.

Since Christmas we have been unable to hold any meetings on account of so much illness in the school.

The Club officers were as follows:

President.....	PHILIP KEHR
Secretary.....	MARY SAVAGE
Social Secretary.....	ELIZABETH PHILLIPS
Treasurer.....	RICHARD STEWART

Mary Savage, '26.

## RADIO CLUB

Four years ago a new club was added to the long list in the Warren High, namely, the Radio Club. At first there were very few members, but as the time went on, new members enrolled in the club. The old members eagerly accepted the new ones and helped them to solve many questions that were brought up for discussion.

During the winter, radio listeners were bothered by interference which it was impossible for them to locate. The Radio Club immediately volunteered to help them and, by long and careful search, found the cause of their difficulty.

The Club was glad of this opportunity to be of assistance to the community, and through it they broadened their knowledge of Radio and its ups and downs.

These are the sort of things that the Warren High Radio Club is accomplishing. We hope that the Club of '27 will be as strong and accomplish as much as the preceding clubs.

## Mark Anthony's Original Oration

Friends, Romans, Countrymen! Lend me your ears;  
I will return them next Saturday. I come  
To bury Caesar because the times are hard  
And his folks can't afford to hire an undertaker.  
The evil that men do lives after them  
In the shape of progeny who reap the  
Benefit of their life insurance; so let it be with the deceased.  
Brutus hath told you Caesar was ambitious—  
What does Brutus know about it?  
It is none of his funeral. Would that it were.  
Here under leave of you I come to  
Make a speech at Caesar's funeral.  
He was my friend, faithful and just to me.  
He loaned me \$5 once when I was in a pinch  
And signed my petition for a post office.  
But Brutus says he was ambitious;  
Brutus should wipe off his chin.  
Caesar hath brought many captives home to Rome  
Who broke rocks on the streets until their ransoms  
Did the general coffers fill.  
When that the poor hath cried, Caesar hath wept,  
Because it didn't cost anything and  
Made him solid with the masses.  
Ambition should be made of sterner stuff!  
Yet Brutus says he was ambitious;  
Brutus is a liar and I can prove it.  
You all did see that on the Lupercal  
I thrice presented him a kingly crown  
Which he did thrice refuse because it did not fit him quite.  
Was this ambition? Yet Brutus says he was ambitious.  
Brutus is not only the biggest liar in the country,  
But he is a horse thief of the deepest dye.  
If you have any tears prepare to shed them now.  
I remember the first time Caesar put it on;  
It was a on summer evening in his tent  
With the thermometer registering 90 in the shade.  
But is was an ulster to be proud of  
And cost him \$7 at Marcaius Swartzmeger's,  
Corner of Broad and Ferry Streets, sign of the red flag.  
Old Swartz wanted \$40 for it  
But finally came down to \$7 because it was Caesar.  
Was this ambition? If Brutus says it was  
He is a greater liar than anyone present.  
Look! In this place ran Cassius' dagger through—  
Through this the son of a gun of a Brutus stabbed,  
And when he plucked his cursed steel away,  
Mark Anthony! How the blood of Caesar followed it.  
I come not, friends, to steal away your hearts—  
Brutus has a monopoly on all that business,  
And if he had his deserts he would be  
In the penitentiary, and don't you forget it.  
Kind friends, sweet friends, I do not wish to stir you up  
To such a flood of mutiny, and as it looks like rain  
The pall bearers will please place the coffin in the hearse  
And we will proceed to bury Caesar—Not to praise him.

### IMPORTED AND DOMESTIC PERFUMES

The odor left by a highly scented "toilet soap" is not agreeable to most people of refined taste.

A delicate perfume may be used after the bath with much more pleasing effect.

Our perfumes are the purest concentrated extracts obtainable, representing the true odor of the flower. So fragrant to use that they leave only a sensation of perfect cleanliness.

Among the many different kinds that we carry you will find the ever popular HOUBIGANTS and COTYS in the following odors: Quelques Fleur, Mon Boudoir Ideal, Quelques Viollette, L'Origon, Styx, Chypre Jasmin, LaRose, Muguet, Emeraude, and Paris.

The steamer was only a few feet from the quay when there was a sudden commotion, and a man came running madly from the dock gates, shouting to the officials to wait a moment.

Without pausing in his stride, he flung his bag on the boat, took a desperate leap, and landed on the deck with a crash.

"Good!" he gasped. "A few seconds later I should have missed it."

"Missed it!" exclaimed the officer who helped him to his feet. "This boat is just coming in."

"What are you studying now?" asked Mrs. Johnson.

"We have taken up the subject of molecules," answered the son.

"I hope you will be very attentive and practice constantly," said the mother. "I tried to get your father to wear one, but he could not keep it in his eye."

An Emporia school nurse was telling a health story to a first grade class. "Now what," she asked in review of the story, "was the name of the good fairy that was dressed all in white?" For a moment the class was silent, then a little colored boy answered hopefully. "Ku Klux?"

## A SOFT ANSWER

The president of a large automobile concern in Omaha, Nebraska, having had difficulty in getting a satisfactory stenographer, as a last resort, put the following ad in one of the local papers:

"Wanted—First-class, high-grade stenographer; salary no object. This stenographer must get it as fast as I dictate, and get it right; must be absolutely accurate; must have human intelligence. If you are not a cracker-jack, don't bother me."

This is one of the replies received in the mail the following morning:

"I note your requirements, as aired in the newspaper, and hasten to make inquiry as to this strenuous business that takes such an extraordinary stenographer.

"Your advertisement appeals to me strongly—stronger than prepared mustard—as I have searched Europe, Airopo, Irope, and Hoboken in quest of someone who could use my talents to advantage.

"When it comes to this chin music proposition, I have never found man, woman or dictaphone who could get first base on me, either fancy or catch as catch can. I write shorthand so fast that I have to use a specially prepared pencil, with a platinum point, and a water cooling equipment that I have constructed at exorbitant expense, a note pad made of asbestos composition, covered with human hide, ruled with sulphuric acid and stitched with catgut.

"I use the A. W. ignition, double unit, high-tension system exclusively, and will guarantee to deliver my rated horsepower under either A. L., A. M., or S. A. E. standard. I have been passed by the National Board of Censorship and guaranteed under the Pure Food and Drug Act of June 30, 1906.

"I run with my cut-out open at all speeds, and am, in fact, a guaranteed double hydraulically welded drop-forged and oil-tempered specimen of human lightning on a perfect thirty-six frame ground to one thousandth of an inch. At hot air juggling you have nothing on me.

"If you wish to avail yourself of the opportunity of a lifetime, wire me; but unless you are fully prepared to pay the tariff for such services, don't bother me, as I am so nervous that I can't stand still long enough to have my dressmaker measure my clothes. Spare your time and money unless you want to pay at least \$50.00 per week in cash or its equivalent.

"I. M. WIDEAWAKE."

\* \* \*

Book Agent: Have you a Charles Dickens in your home?"

Hort Smith: "No."

Book Agent: "Or a Robert Louis Stevenson?"

Hort Smith: "No!"

Book Agent: "Or a Gene Field?"

Hort Smith: "No, we ain't, and, what's more, we don't run no boarding house here, neither. If you're looking for those fellows, you might try the house across the street."

\* \* \*

Snooky: "Could you take a joke seriously?"

Eddie A.: "I scarcely know you yet."

"Well, what do you want?" he responded. "Anything wrong in the house?"

Biggs: "Why don't you drown your sorrow?"

Riggs: "She positively refuses to go swimming."

Beckwith: "What is the next element you are going to analyze for me?"

Evans: "I know it, sir, it's on the tip of my tongue."

Beckwith: "Well, don't swallow it; it's arsenic."

\* \* \*

"It is true, doctor," asked the gushing young lady, "that you are a lady-killer?"

"Madam," replied the doctor, "I make no distinction between the sexes."

\* \* \*

"Your husband has a clever-looking head. I suppose he knows practically everything?"

"Sh-h-h! He doesn't even suspect anything."

\* \* \*

"Edna has just returned from the sea-side."

"Did she get brown?"

"No, I think his name was Thompson."

\* \* \*

Phil (in Candyland): "What will you have, Laura? They have all the up-to-date drinks here."

L. S.: "I think I'll try a glass of that "Pepsodent" that I see advertised so much. It sounds good, doesn't it?"

\* \* \*

Lib E.: "I have some Caesar's coins."

Lib P.: "That's nothing. I have some of Adam's chewing gum."

\* \* \*

Ruth G.: "Have you heard the latest? Gret walks in her sleep."

Ruth S.: "How perfectly absurd when they have two cars."

\* \* \*

The two stood on the darkened porch after the dance. Mary Ellen waited. "Love is blind," quoted Nick.

"Well, can't you tell where I am by feeling?" she asked peevishly.

\* \* \*

"Quick, get Billy Sunday, a woman has fainted."

"Why Billy Sunday?"

"He'll conduct a revival."

\* \* \*

Jack: "Did you hear the latest? Bill finally expressed himself."

Hack: "How?"

Jack: "American Railway, you sap."

## Dependable All the Way

One of the finest things you can say of anybody is that he is dependable.

And this dependability to be worthwhile must not last just for one day, two days, one year, or two years.

It must last for a long, long time. Because time is the only test for 100 per cent. dependability.

Metzger-Wright's have always tried to build for dependability. Every store effort has been toward that goal.

And when you call this Store dependable, you may be sure we always do our utmost best to be worthy of that faith you show.

"This is a ticklish proposition," trilled the co-ed as the bearded stranger kissed her.

\* \* \*

Big Bill: "How come your dog's got such long legs?"

Wee Will: "That's so they will reach the ground."

\* \* \*

Sawph: "Seen any stray furniture?"

Omore: "Nope; haven't been drunk today."

\* \* \*

Mrs. Smiff: "Mrs. Nayber complains to me that she has nothing to wear to the dance tomorrow night."

Mr. Smiff: "In that case she'll be right in it."

\* \* \*

Pa: "Engaged to four girls at once? How do you explain such conduct?"

Offspring: "I don't know. Cupid must have shot me with a machine gun."

\* \* \*

Me: "A good chef gets more than a college professor."

He: "Why shouldn't he? A lot more people take his courses."

\* \* \*

Mary Louise: "Can you keep this quiet?"

Laura: "I'll tell the world."

\* \* \*

"Is Nora there?"

"No, she isn't."

"Do you know where I can get hold of her?"

"I couldn't tell you; the boys say she is awfully ticklish."

\* \* \*

Only a small percentage of the girls of this country are working girls -- the rest are working men.

\* \* \*

Mother: "Mary, aren't you getting too big to p'ay with the boys?"

Mary: "Oh, no, mother; the bigger I get the better I like 'em."

\* \* \*

Little Johnny, a city boy in the country for the first time, saw the milking of a cow.

"Now you know where the milk comes from, don't you?" he was asked.

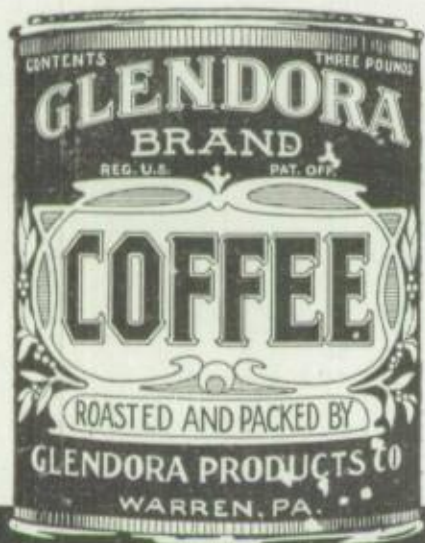

"Sure!" replied Johnny. "You give the cow some breakfast food and water and then drain the crankcase."

\* \* \*

Traffic Cop: "What's the matter, couldn't you see my signal?"

Eggleston: "Yes, but I thought it was a center rush."
